Broken Circles Anna Haebich, 2000-11-01 This major work reveals the dark heart of the history of the Stolen Generations in Australia It shows that from the earliest times of European colonization Aboriginal Australians experienced the trauma of loss and separation as their children were abducted enslaved institutionalized and culturally remodeled Providing a moving and comprehensive account of this tragic history this study covers all Australian colonies states and territories The analysis spans 200 years of white occupation and intervention from the earliest seizure of Aboriginal children through their systematic state removal and incarceration and on to the harsh treatment of families under the assimilation policies of the 1950s and 1960s The resistance struggle and achievements of Aboriginal people in defending their communities regaining their rights and mending the broken circles of family life provides a compelling parallel story of determination and courage *June Cleaver Was a Feminist!* Cary O'Dell, 2013-05-21

Long dismissed as ciphers sycophants and Stepford Wives women characters of primetime television during the 1950s through the 1980s are overdue for this careful reassessment From smart savvy wives and resilient mothers including the much maligned June Cleaver and Donna Reed to talented working women long before the debut of Mary Tyler Moore to crimebusters and even criminals American women on television emerge as a diverse empowered individualistic and capable lot highly worthy of emulation and appreciation Eddie and the Vegetarian Vampire Dennis M. Society In Repair Alex T. Wolf,2020-12-03 It seems like a fairy tale but not too long ago there were rational people who ran the Republican Party In these divisive times we don t have very bright politicians to look up to anymore How did the party of Lincoln become the party of right wing nut jobs Republicans have gone crazy who keep on convincing themselves that the Democrats are evil and the Democrats with their ugly threats have become what they claim to hate With SOCIETY IN REPAIR it will prove that no one is immune to stupidity As a whole nation we have been divided so politically that we hate anyone who disagrees with our own personal views But what if a common human emotion could unite America as a whole again like humor Society In Repair takes a non partisan view on the issues that really matter Issues including sexual abuse climate change drug addiction and most importantly why Americans have lost their sense of humor The constant degradation of humanity in America shows a clear insight into these dramatic days of our Nation s life Society In Repair is here to remind us what it means to be American even though the American story has not always been great But the belief in Americans of progress and change keeps America going in the darkest of times
