Understanding (Post)feminist Girlhood Through Young Adult Fantasy Literature Elizabeth Little, 2024-11-04 Understanding Post feminist Girlhood Through Young Adult Fantasy Literature takes advantage of growing critical interest in popular young adult texts and their influence on young people The monograph offers an innovative approach by pairing traditional literary analysis with the responses of readers to show the complex ways that young people respond to the depiction of female protagonists In

the first section the book utilises a feminist framework to examine young adult fantasy novels published from 2012 to 2018 with a particular focus on *A Court of Thorns and Roses* Maas 2015 and *Red Queen* Aveyard 2015 The analysis shows how strong female protagonists in young adult fantasy are postfeminist heroines who reinscribe patriarchal power structures embrace limited understandings of gender roles and persist in relationships that oppress them In the second section the monograph introduces empirical data from a series of focus groups discussing those same novels The discussion shows that readers respond to these popular young adult fantasy texts with complexity and nuance that highlights their postfeminist subjectivities as they simultaneously reject and reinscribe elements of postfeminism in their understanding of the girl protagonists

The Maze of Fantasy in Tamil Folktales Gabriella Eichinger Ferro-Luzzi, 2002 The book pursues an ethnographic and a theoretical purpose The ethnographic first part examines how Tamil folktales mostly gathered and published by Tamil authors reflect Tamil culture However since the narrators want to amuse their listeners and arouse their interest they tend to exaggerate or invert the normal situation Therefore their tales reflect more reliably Tamil values beliefs and interest than social behaviour The second theoretical part stresses the importance of the actually occurring motifs and casts doubt on typology Rather than artificially distinguishing tale types often thought to exist independent of the
