The Secular And the Sacred Harmonized Elsie T. Choice,2005-09-01 It is the result of years of extensive and painstaking research Within its pages are shocking yet convincing revelations that force readers to reconsider what has been established as truths about mankind s past and purpose on planet Earth It harmonizes the Biblical account of Creation and the Theory of Evolution It applies historical events to the events described in the Biblical book of Revelation It proves that the earth gods of antiquity are the biblical fallen angels or demons today s extraterrestrials It is non proselytizing and reader friendly and all theories are supported by scientific data historical facts and holy texts It answers the age old questions of Who are we Why are we here and Where are we going *al-Makīn Ġirġis Ibn al-‘Amīd: Universal History* Martino Diez,2023-11-20 When the

13th century Coptic official al Mak n Ibn al Am d was thrown into prison by Sultan Baybars he set out to compile a summary of Biblical Graeco Roman and Islamic history for his own consolation His work which drew from a vast array of sources enjoyed enduring success among various readerships Oriental Christians in Arabic speaking communities but also in Ethiopia Mamluk historians including Ibn ald n and al Maqr z and early modern Europe A major instance of Christian Muslim interaction in the pre modern era Ibn al Am d s chronography is still unpublished in its pre Islamic part This volume edits analyzes and translates the section from Adam to the Achaemenids Brothers and Sisters Henry Abramovitch,2014-11-18 Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch s Brothers and Sisters explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own relationship with his brother and sister The Dust and the Glory Earl Cripe,2010-03-31 Without serious argument Genesis is at once the most fascinating and compelling and the most misunderstood book in the Bible The foundation of the Gospel and the Historic Christian Church is laid down in the first eight chapters Without a proper understanding of what took place there why and when there is no Gospel Dr Cripe uses his winsome method of teaching his God given wisdom and knowledge his elegant eloquent and lucid writing style and his gifts as a Christian mystic to unlock and discuss secrets that have lain dormant and hidden for far too long In this book Earl takes on the humanists who seek to make the creation account something other than literal and exposes their nefarious agendas In this book essential elusive and transcendent questions are asked and answered Where did evil come from Was the serpent the devil Why did God put the Tree of the knowledge of Good and Evil in the Garden Why did God give the serpent access to Eve Did the Genesis Flood Happen Was it universal What is the testimony of the earth around us regarding this question In the end of the age when the fury of the dragon is being unleashed against the Bible belief in God and the integrity of the historic church we cannot imagine a more vital and timely book for all who seek find truth in the foment of a caldron of lies and disinformation If you are a dedicated and sincere seeker for truth The Dust and the Glory will supply you with vital and needed information and will make a better Christian of you The Lost Books of the Bible and The Forgotten Books of Eden Rutherford Hayes Platt,1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style **All the Women of the Bible** Herbert Lockyer,1988 This volume part of Lockyer s All Series contains detailed indexing of the life and times of all the women of the Bible **Locomotive Engineers Journal** ,1903
