Progress in Behavioral Social Work Bruce A. Thyer, Walter W. Hudson, 2018-09-24 Originally published in 1987, here are up-to-the-minute insights and perspectives on the application of the principles of behavioralism to social work practice. The foremost authorities in the field of behavioral social work provided important empirically based practice and qualitative research findings that effectively illustrated the validity of behavioral approaches to social work. This practical volume features original research findings that employ either conventional group research methods or single subject approaches to practice evaluation; comprehensive reviews of the state of the art in behavioral social work and treatment modalities including individual, marital and family and group interventions. All in all, this title has the information professionals needed to keep abreast of the developments in this field at the time.

Social work in XXI Century St. Challenges for academic and professional training. Concepción Nieto-Morales, 2018-08-03 The book that you hold in your hands or on the screen of any technological device is the result of the effort made by a group of professors with the collaboration of professionals in different universities and study centres in twenty-five countries. Its title is already revealing: *Social Work in the 21st Century*. It is remarkable the coordination of professors Concepción Nieto-Morales and Monica Solange De Martino Bermúdez for readers to know not only the curriculum of Social Work in each of the countries that appear but also the profile

of the student body and the identification and reflection on the challenges that the 21st century poses to the teaching of the profession among other elements Being a social worker in these times requires a previous awareness before starting the long road that begins with academic training and ends with the daily work linked to people who need help they need us to help them to conquer their rights There is something else Social problems over the years seem not to change their name homeless drug addicts minors but we must know that the internal dynamics of these marginalized groups evolve over time We must act according to today's situation with today's schemes otherwise the essence of social work will disappear What is Social Work? Nigel Horner, 2012-10-30 It is essential that social work students have a clear grasp of the history and the evolutions of social work practice Now in its fourth edition Horner's classic introductory text looks at how issues such as the Personalisation Agenda the work of the Reform Board and how the notion of a Big Society and the recent contractions in government spending have impacted on practice and education **Generalist Social Work Practice** John Poulin, Selina Matis, Heather Witt, 2025-03-13 A competency based approach to generalist social work practice that integrates an anti-oppressive perspective and foundational practice principles Generalist Social Work Practice A Competency Based Approach aligns with the nine professional social work competencies defined by the Council on Social Work Education's CSWE 2022 Educational Policy and Accreditation Standards EPAS and is fully revised to incorporate the latest updates This textbook offers a comprehensive chapter by chapter exploration of each competency and covers all areas of social work practice including theory ethics human rights social justice and interventions at micro and mezzo levels Generalist Social Work Practice integrates the critical themes of anti-racism diversity equity and inclusion ADEI to ensure future social workers engage thoughtfully and competently in diverse settings New to the Second Edition Explicit focus on generalist social work practice Integration of anti-oppressive practice principles into the generalist model Alignment with CSWE 2022 EPAS Combined assessment and intervention content across chapters Introduction of a new chapter on evaluation Enhanced ADEI content throughout the book Key Features Provides comprehensive coverage of generalist practice with individuals families groups organizations and communities Explores the nine CSWE professional competencies Incorporates social justice perspectives into practice models Offers extensive case examples ADEI reflection questions and chapter summaries Includes QR Codes that link to supplemental videos for enriched learning Provides online instructor resources such as electronic presentations discussion questions and grading rubrics Presents a student friendly writing style to encourage engagement and understanding Working with Loss, Death and Bereavement Jeremy Weinstein, 2007-11-15 This book makes a significant contribution to the literature The author is to be commended for the huge amount of work he has put into this volume which deserves to be widely used Professor Bernard Moss Staffordshire University All social workers encounter complex and diverse forms of loss throughout their practice Working with Loss Death and Bereavement helps trainee and practitioners navigate these difficult situations by developing the skills and values necessary for effective and empowering

practice Each chapter is grounded in social work theory and is illustrated by practice scenarios exercises suggestions for further study and contemporary cultural examples from novels and films The book explores definitions and assessment of loss psychological aspects of loss and grief skills methods and theories working with the individual families support groups and communities avenues of support for social workers key themes of anti discriminatory practice evidence based practice and ethical awareness This invaluable skills based book meets the training requirements for social workers and will be essential reading for students or practitioners wishing to reflect on and develop their own practice in working with loss death and bereavement Jeremy Weinstein worked as a social worker prior to teaching at London South Bank University where he is now a Visiting Fellow Jeremy is an accredited trainer and gestalt psychotherapist with a small private practice offering therapy supervision and consultation
