**Skin Color Recognition, Preference and Identification in Interracial Children** Wayne West Gunthorpe, 1998-02-26  
Skin Color Recognition Preference and Identification in Children A Comparative Study is a remarkable study based on thorough primary research Interracial children's racial attitudes have been ignored in research since the 1930s Gunthorpe using the methodology of previous researchers provides objective and comparable data and details some unexpected results Authoritative but easily read Skin Color Recognition is of value to researchers and academics in the areas of minority studies sociology and psychology as well as to parents of interracial children [Skin Color Recognition, Preference and Identification in Interracial Children](#) Wayne West Gunthorpe, 1977 [Educational and Psychological Research](#) Mildred Patten, 2016-09-13 This edition of our popular reader is entirely updated with timely articles that deal with broad issues in education and psychology For a research reader with emphasis on classroom issues see A Cross Section of Educational Research This collection shows students the many inherent weaknesses of empirical methods as well as models of excellence Unlike research readers that contain made up articles this one has both face validity and content validity Your students will appreciate reading real articles with real results The 34 research articles illustrate qualitative research combined qualitative quantitative research content documentary analysis correlational research test validity and reliability research causal comparative research true experimental research quasi experimental research pre experimental research program evaluation meta analysis The lines are numbered sequentially making it easy to refer to specific parts of each article during classroom discussions This single source of research articles is convenient for you and your students Easy to coordinate with any research methods text this reader is an ideal way to make research methods come alive Field tested for student interest and comprehension All major methods of research are illustrated with real research articles drawn from a wide variety of journals See Table of Contents Your students will become familiar with a wide variety of writing and organizational styles that real researchers use Despite their variety all articles in this book are highly comprehensible Factual Questions at the end of each article encourage students to read for mythological points they might otherwise overlook Questions for Discussion encourage students to address broad issues of research design An instructor's answer key will be shipped with your examination copy The interesting research topics will make your students look forward to doing their research reading homework **Raising Biracial Children** Kerry Ann Rockquemore, Tracey A. Laszloffy, 2005-11-10 As the multiracial population in the United States continues to rise new models for our understanding of mixed race children and how their conception of racial identity must be developed A wide divide between academics who research biracial identity and the everyday world of parents and practitioners who raise and deal with mixed race children exists This book aims to fill this gap by providing an extensive synthesis of the existing research in the field as well as a model for better understanding the unique process of racial identity development for mixed race children Raising Biracial Children provides parents educators

social workers and anyone interested in multiracial issues with an accessible framework for understanding healthy mixed race identity development and to translate those findings into practical care giving strategies Sex and Race in the Black Atlantic Daniel McNeil, 2010-01-27 Drawing on a wide range of sources and a diverse cast of characters this book is the first to place the self fashioning of mixed race individuals in the context of a Black Atlantic and gives particular attention to the construction of mixed race femininity and masculinity during the twentieth century Racially Mixed People in America Maria P. P. Root, 1992-02-03 Recipient of the Gustavus Myers Center for the Study of Human Rights in the United States 1993 Outstanding Book Award America has been the breeding ground of a biracial baby boom for the past 25 years Unfortunately there has been a dearth of information regarding how racially mixed people identify and view themselves and how they relate to one another Racially Mixed People in America steadily bridges this gap and offers a comprehensive look at the social and psychological adjustment of mixed race people models for identity development contemporary immigration and marriage patterns and methodological issues involved in conducting research with mixed race people all in the context of America's mixed race past and present Including contributions by ethnohistorians psychologists and sociologists this powerful volume will provide the reader a tool for examining ideologies surrounding race race relations and the role of social science in the deconstruction of race Racially Mixed People in America is essential reading for researchers and practitioners in cross cultural studies psychology family studies sociology and social work Racially Mixed People in America is not just a feel good affirmation of mixed race people It offers explanations of how possibly the constructed notions of race operate in our society through an examination of mixed race people from the margins of psychological and sociological studies to the center of race relations discourse This perhaps is its greatest contribution Amerasia Journal A compendium of articles on the experiences and identities of racially mixed people it takes a scholarly approach to understanding the issues of racial identity It is a book we highly recommend for an overview of the psychological implications of the personal conflicts inherent in multiracial identity Minority Markets Alert Maria P P Root and her coauthors have performed a service to society in general and to biracial multiracial people and families in particular By dispelling myths and showing the biracial multiracial experience to be a healthy normal one the book will help demolish barriers of fear and ignorance and will hopefully enable all of us to banish the lingering miasma of obsolete concepts Joe Cunningham The Interracial Club Newsletter An especially timely and well documented book Recommended to mental health professionals who wish to heighten their sensitivity in working with racially mixed people Readings A Journal of Review and Commentary in Mental Health Racially Mixed People in America is an important book effectively presenting a comprehensive multidisciplinary examination by ethnohistorians psychologists and sociologists of America's multiracial past and present **Research in Black Child Development** Hector F. Myers, 1982-04-21 Product information not available Tripping on the Color Line Heather M. Dalmage, 2000 Through in depth interviews with individuals from black white multiracial families and insightful sociological analysis Heather M

Dalmage examines the challenges faced by people living in such families and explores how their experiences demonstrate the need for rethinking race in America She examines the lived reality of race in the ways multiracial family members construct and describe their own identities and sense of community and politics Their lack of language to describe their multiracial existence along with their experience of coping with racial ambiguity and with institutional demands to conform to a racially divided racist system is the central theme of *Tripping on the Color Line* Racial Attitudes and Biculturality in Interracial Preschoolers Deborah Jean Johnson,1983 **Black American Families, 1965-1984** Walter R.
