The Prophecy Jessica Lane, 2023-12-14 Heartbreak Betrayal Loss Jack had a few certainties in life: he was destined to be a farmer, he was an only child, and the supernatural didn't exist. That was until he drank from a mysterious vial after his dying mother revealed to him a long forgotten prophecy about three triplets who would bring an end to the vampire who called herself queen, the werewolf who called himself king, and the great and powerful one. Waking up five hundred years into the future, Jack is stunned to find out that vampires and werewolves truly exist. And to make matters worse, he discovers that his two brothers are among them. Royce was good at expressing two emotions: anger and annoyance. He had built an empire with his wealth and immortality, and the last thing he wanted was to spend the rest of his vampiric life with two obnoxious brothers and a six-year-old. War was brewing, and he wasn't about to let it destroy everything he had built. Draco loved life. He was living the dream as a rock star with all the trappings of success: a gorgeous girlfriend, adoring fans, money, and friends. His biggest concern so far has been how to break it to his girlfriend that he's a werewolf. But when Jack appears in his backyard, unconscious and disoriented, he soon realizes that his world is about to change. Despite their differences, Royce, Draco, and Jack must come together to defeat their enemies who threaten to destroy everything they hold dear. With no other choice but to fight, they will have to navigate new alliances and accept their destiny.

Husk Jonathan Logan Donovan, 2012-11-15 Life has become Zombified. The air itself carries death or worse. A few hardy, starving souls band together to try to make sense of Life's new rulebook while holding on to what little humanity they have left. *Husk: A Tale of Human Hunger* is a book that examines Life's incomprehensible, insatiable, and cannibalistic need to consume life. Set in the oddest zombie apocalypse imaginable, it follows the paths of several starving characters, all precariously balanced between lack and plenty in their never-ending search for more food. After the reader is

finished with this story they may have to ask themselves an uncomfortable question Am I alive dead or neither Husk A Tale of Human Hunger is the first book in a trilogy The second book will take the story in a whole new direction resolving many of the conflicts left open in Husk Expect the second book sometime in the summer if the world survives Husk A Tale of Human Hunger deals with mature subject matter has strong language and is intended for a mature audience The main theme of the novel is the overriding emptiness in all people for food stuff power love you name it which is never questioned and can seemingly never be filled The trilogy hopes to expose the alternative Like an unexpected olive pit on unsuspecting martini teeth Husk is intended to unsettle both with its subject matter and style The author hopes you enjoy the zombie apocalypse and disease he has constructed He also hopes you appreciate the pre existing human condition that puts anything the zombies could hope to accomplish to shame www.huskbook.com Facebook [huskatale](https://www.facebook.com/huskatale) huskbook
