of Laos to the overcrowded refugee camps of Thailand and onward to America But lacking a written language of their own the Hmong experience has been primarily recorded by others Driven to tell her family s story after her grandmother s death The Latehomecomer is Kao Kalia Yang s tribute to the remarkable woman whose spirit held them all together It is also an eloquent firsthand account of a people who have worked hard to make their voices heard Beginning in the 1970s as the Hmong were being massacred for their collaboration with the United States during the Vietnam War Yang recounts the harrowing story of her family s captivity the daring rescue undertaken by her father and uncles and their narrow escape into Thailand where Yang was born in the Ban Vinai Refugee Camp When she was six years old Yang s family immigrated to America and she evocatively captures the challenges of adapting to a new place and a new language Through her words the dreams wisdom and traditions passed down from her grandmother and shared by an entire community have finally found a voice Together with her sister Kao Kalia Yang is the founder of a company dedicated to helping immigrants with writing translating and business services A graduate of Carleton College and Columbia University Yang has recently screened The Place Where We Were Born a film documenting the experiences of Hmong American refugees Visit her website at www.kaokaliayang.com

How Babies Talk Roberta Michnick Golinkoff, Kathy Hirsh-Pasek, 2000-07-01 In their first three years of life babies face the most complex learning endeavor they will ever undertake as human beings They learn to talk Now as researchers make new forays into the mystery of the development of the human brain Golinkoff and Hirsh-Pasek both developmental psychologists and language experts offer parents a powerfully insightful guidebook to how infants even while in the womb begin to learn language Along the way the authors provide parents with the latest scientific findings developmental milestones and important advice on how to create the most effective learning environments for their children This book takes readers on a fascinating vitally important exploration of the dance between nature and nurture and explains how parents can help their children learn more successfully

Making Babies Sandra Sabatini, 2006-01-01 Although the infant has been a consistent figure in literature and for many people a significant figure in personal life there s been little attention focused on infants or on their place in Canadian fiction until now In this book Sandra Sabatini examines Canadian fiction to trace the ideological charge behind the represented infant Examining writers from L M Montgomery and Frederick Philip Grove to Thomas King and Terry Griggs Sabatini compares women s writing about babies with the way infants appear in texts by men over the course of a century She discovers a range of changing attitudes toward babies After being seen as a source of financial burden social shame or sentimental fantasy infants have increasingly become a source of value and meaning The book challenges the perception of babies as passive objects of care and argues for a reading of the infant as a subject in itself It also reflects upon how the representations of infancy in Canadian literature offer an intriguing portrait of how we imagine ourselves

Power of Kids Thierry Kouam, 2017-11-03 In the small kingdom of Manitoba the most hated king of all time holds great power over his people Because of King Hector s evil reign everyone is afraid of him especially

children because they are the ones who are being mystically tortured by him and his lord and master At the same time adults decide to stop creating life Sunshine is born She is a mysterious little girl gifted with secret powers When the king learns that she has been named Sunshinea name he has banned from the kingdom he decides to kill her As Sunshine begins a battle against the king his lord and their combined satanic powers she sets out on a quest to release the souls of the children who are controlled by them and to fight for their rights to education But her biggest obstacle lies before her as she attempts to prevent the king and his lord from carrying out the evil plan they have for her people In this fantasy tale a young woman gifted with special powers must battle an evil king and his lord in order to save her land from their wrath
