belief so strong that the righteousness of God flows in undeniable power and love Undeserving yet Entitled is an eye opening look into scriptures that will inspire believers to examine their own hearts motives actions and faith Lisa Jones invites readers to lean on the power of God to fill them with love for him and in an outpouring of love to others that must endure to the end Transformation through grace evidenced by good works and love for others is the proof of the Spirit of God working through believers This book takes readers into the core of the Bible to discover their purpose understand judgment receive forgiveness and walk in grace through power from the Holy Creator As the scriptures unfold throughout this book saints will confirm that they answer to a higher calling and worship the one true God Culminating in a short study of end times and the necessity for endurance believers will be emboldened to live for Christ with integrity being eternity minded and prepared to live through persecution and tribulation as forewarned of by the prophets gospels apostles epistles and Jesus himself As this virtuous quest draws to a close believers will have answers to those nagging questions that have eluded them and fill their voids with the one true Savior They will come away from this book with a greater understanding of salvation and the narrow way of Christianity

Summer Tara Sosa, 2023-09-14 He didn't just break my heart He broke me One devastating lie One epic betrayal One cataclysmic choice that changed what could have been What should have been Reed Brooks annihilated every single cell of my being He single handedly ended my existence I once was head over heels and believed in starry eyed dreams and fairytales I had a future mapped out with him A forever And then I had nothing I was nothing It took me a long time to put myself back together into the woman I am now I wasn't the girl he knew back then I was someone else Someone stronger smarter forged of steel Someone who would never ever forget or forgive Reed had his chance with me once upon a time He wasn't getting another I broke her down to nothing And by doing so I broke me She was mine Always has been Always will be For years I searched for her after I completely destroyed her and our future our perfect life But I always came up empty I was empty Together forever Happily ever after It was supposed to exist But I told lies I betrayed I did a lot worse so our always and forever could exist But it didn't matter I lost her anyway And I lost myself too But now she's back and I finally have the chance to make things right It won't be easy Because Emma Jameson doesn't exist anymore Emma Shaw does And she's not the girl who went running This girl This woman She's absolutely everything I've always wanted Even with her jagged edges and broken pieces she's more mine now than she was then because underneath all the tears frays shards and bitter words I see the truth The girl who loved me is still inside of her trying to break free She might've changed her name and her soft edges might've become razor sharp but a love like ours doesn't disappear overnight Or a decade There's nothing standing in our way this time Especially not her I won't allow it Emma is mine Always has been Always will be
