The Pan Am Building and the Shattering of the Modernist Dream Meredith L. Clausen,2005 How a building and the reaction to it signaled the end of an era the transformation of architectural practice in the context of New York City culture and politics

Bloomberg's New York Julian Brash,2011 New York mayor Michael Bloomberg claims to run the city like a business In Bloomberg s New York Julian Brash applies methods from anthropology geography and other social science disciplines to examine what that means He describes the mayor s attitude toward governance as the Bloomberg Way a philosophy that holds up the mayor as CEO government as a private corporation desirable residents and businesses as customers and clients and the city itself as a product to be branded and marketed as a luxury good Commonly represented as pragmatic and nonideological the Bloomberg Way Brash argues is in fact an ambitious reformulation of neoliberal governance that advances specific class interests He considers the implications of this in a blow by blow account of the debate over the Hudson Yards plan which aimed to transform Manhattan s far west side into the city s next great high end district Bringing this plan to fruition proved surprisingly difficult as activists and entrenched interests pushed back against the Bloomberg administration suggesting that despite Bloomberg s success in redrawing the rules of urban governance older political arrangements and opportunities for social justice remain
