Slade's Secret Son:

His Secret Child Leslie North, He wasn't looking for romance But love had other plans Slade only cares about two things his job and his team He's never been interested in settling down or starting a family Those are attachments he doesn't need But when he goes to check on the boy left behind by the death of his business partner's ex wife Slade meets Bethany Simmons This computer programmer is smart as a whip and beautiful as well And Slade can't help but take notice When Bethany contacted Slade Security to let them know of her sister's death she never thought it would be Slade who would show up With his tanned skin salt and pepper hair and ripped body one look at Slade makes her go weak in the knees But despite her attraction Bethany's not going to let anyone take her nephew away from her Not even a silver fox like Slade Bethany's determined to find a way to adopt her nephew But as the simmering attraction between her and Slade grows a dark secret is revealed And it just might change both their lives forever
