extensive work schedule ignoring the significance of Rose Chermini's words despite the unalterable fact that John F Kennedy has been assassinated And in Dallas But strange and dangerous events begin to rock the young couple's routine And Jason's growing fascination with the conflicting and dumbfounding news surrounding the assassination add additional stress to their six month marriage The death of a fraternity brother propels the couple with their friend Rick Harnish to Dallas While danger now lurks in other forms the truth of their marriage finally unfolds while the characters and mysteries in the JFK assassination finally launch Sundry into the present Patty Duncan lived through the drama of the John F Kennedy assassination and as a young woman began to believe the cynicism of the Sixties could be traced at least in part to that sad event She has spent twenty five years in public relations and advertising including a stint as press secretary in the Tennessee legislature With retirement she turned again to assassination theories and was surprised that so little attention had been given to Rose Chermini a woman who warned medical personnel of the impending assassination Although there is a dearth of information about Rose Chermini she and her warning warrants further attention as do some of the other players in the assassination drama I chose a story of a young couple who are struggling with their own busy lives intersecting their demons and foibles with the startling appalling idea that their very own government could be involved in the tragedy that occurred November 22 1963 Subjects that belong to the American public as the Kennedy assassination certainly does invite us to revisit them again and again Patty said Dividing their time between Cape Coral Florida and Mt Juliet Tennessee Patty and husband Joe when not reading writing or playing tennis can be found humbly fulfilling the fancies of their two cats Leggs and Al
