

A promotional image for the web series 'Maaya'. On the left, a woman with long brown hair, wearing a white and dark blue striped tank top, looks intensely at the camera while holding a silver chain. In the background on the right, a man in a dark suit is seen from the back, looking towards the left. The setting appears to be a library or study with bookshelves filled with books.

Slave To Her Desires:

Real Sex Mike Lousada, Louise Mazanti, PhD, 2017-05-30 The more modern culture shines its light on sex the longer the shadow it casts This shadow is commercialism pornography and shame This approach to sexuality distorts it to create performance pressure increasing numbers of sexual dysfunctions and a fundamental disconnect from ourselves and others Yet sexuality is one of the most important paths to happiness simply because it requires us to engage all the other aspects of ourselves To have deeply satisfying sex we must engage the mind the body and our feelings *Real Sex* will show you how almost everything that our society has tried to teach you about your sexuality is misleading or simply wrong *Real Sex* is a journey into the heart of your sexual self a way of creating meaningful and fulfilling intimacy It sets out seven keys that will teach you how to love and accept your mind body feelings desires and sexuality at a deeper level leaving behind feelings of guilt insecurity and shame *Real Sex* offers a new integrated idea of sexuality that holds a positive perspective of the sexual beings that we are longing for intimacy and aliveness that we know deep down makes our lives meaningful **Approaches**

to Teaching Jacobs's Incidents in the Life of a Slave Girl Lynn Domina, 2024-07-13 One of the most commonly taught slave narratives Harriet Jacobs's *Incidents in the Life of a Slave Girl* is rightly celebrated for its progressive and distinctive appeals to dismantle the dehumanizing system of American slavery Depicting the abuse Jacobs experienced her years in hiding and her escape to the North the work evokes sympathy for Jacobs as a woman and a mother Today it continues to inform readers about gender and sexuality power and justice and Black identity in the United States Part 1 of this volume Materials discusses different editions of the work and suggests background readings The essays in part 2 Approaches explore Jacobs's literary techniques and influences drawing on autobiography theory medical humanities and theology among other perspectives Contributors also propose pairings with historical and recent literary works as well as teaching approaches involving visual arts geography archives digital humanities and service learning [Free Will, Responsibility, and Crime](#) Ken

M. Levy, 2019-08-28 In his book philosopher and law professor Ken Levy explains why he agrees with most people but not with most other philosophers about free will and responsibility Most people believe that we have both that is that our choices decisions and actions are neither determined nor undetermined but rather fully self determined By contrast most philosophers understand just how difficult it is to defend this metaphysical libertarian position So they tend to opt for two other theories responsibility skepticism which denies the very possibility of free will and responsibility and compatibilism which reduces free will and responsibility to properties that are compatible with determinism In opposition to both of these theories Levy explains how free will and responsibility are indeed metaphysically possible But he also cautions against the dogma that metaphysical libertarianism is actually true a widespread belief that continues to cause serious social political and legal harms Levy's book presents a crisp tight historically informed discussion with fresh clarity insight and originality It will become one of the definitive resources for students academics and general readers in this critical intersection among

metaphysics ethics and criminal law Key features Presents a unique qualified defense of metaphysical libertarianism the idea that our choices decisions and actions can be fully self determined Written clearly accessibly and with minimal jargon rare for a book on the very difficult issues of free will and responsibility Seamlessly connects philosophical legal psychological and political issues Will be provocative and insightful for professional philosophers students and non philosophers *The*
