sometimes frightening encounters with the spirit realm Julie was forced to face this strange awakening flying in the face of scientific dogma and her own die hard skepticism Ultimately she discovered that what she thought she had lost with the death of her mother unconditional love was in fact the greatest superpower one can wield A hugely entertaining must read for anyone who s ever struggled with loss or wondered what might be beyond the veil of our five senses Anita Moorjani author of *Dying To Be Me* The Ghost Photographer offers insights into our relationship with the spirit world prayers and rituals for cleansing and protecting our homes from unwanted ghosts and guidance on how to develop our intuition and sixth sense
