

Small and Medium Enterprises

- SMEs are the most important segment of any economy in the world.
- They are getting the **highest priority** from policymakers due to their already proven **multidimensional contribution** to the socioeconomic environment of a country.
- These enterprises are **easy to start**, require only **minimum capital**, employ a comparatively higher number of people, and produce goods that meet local demands as well as contribute to export earnings.

- **Size of the indicators varies** based on the socioeconomic condition of the country or even the region.

SME Finance

- Bangladesh Bank (BB) has updated its definition of micro, cottage, small and medium enterprises in line with the **National Industrial Policy 2016** and set a limit to the amount of credit they can avail.
