Small Group Evangelism A Training Program For Reaching Out With The Gospel:

Small Group Evangelism Richard Peace, 1985 **Small Group Outreach** Jeffrey Arnold, 1998-01-01 Jeffrey Arnold in this book on the dynamics of small group spirituality argues that healthy small groups must grow outward in their commitment to those outside the group in evangelism prayer and missions Models of Evangelism Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model **Small Group Evangelism** Richard Peace, 1996 *Biblical Foundations for Small Group Ministry* Gareth Weldon Icenogle, 1994-03-01 Drawing on biblical teaching and the ministry of the early church Gareth Weldon Icenogle offers guidance for setting up and running a biblically based small group ministry program **Biblical Counsel** , 1993 **The Study of Evangelism** Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church s mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism **Everyday Evangelism** Randy Becton, 1997 Everyday Evangelism provides encouragement and practical suggestions on how you can share your faith within your circle of influence Author Randy Becton shares the insights he has gained from years of involvement in mass media evangelism **Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional

Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Out of the Saltshaker and Into the World**

Rebecca Manley Pippert, 2021-01-19 Jesus says his followers are the salt of the earth But how do we cut through fear and guilt to communicate our faith effectively Now part of the IVP Signature Collection this bestselling classic by Rebecca Manley Pippert offers a refreshing view of evangelism as a lifestyle pointing to Jesus as our model and helping us feel relaxed and enthusiastic about sharing the good news Seeker Small Groups Garry D. Poole, 2009-05-26 Principles and methods for
