**Small Scale Breeding** Ray Saunders,1985      **Multispecies Households in the Saian Mountains** Alex Oehler,Anna Varfolomeeva,2019-12-16 Multispecies Households in the Saian Mountains brings together new ethnographic insights from the mountains of Southern Siberia and Mongolia Contributors to this edited collection examine Indigenous ideas of what it means to make a home alongside animals and spirits in changing alpine and subalpine environments Set in the Eastern Saian Mountain Region of South Central Siberia and northern Mongolia this book covers an area famous for its claim as the birthplace of Eurasian reindeer domestication Going beyond reindeer the contributors explore the less known roles of yaks horses wolves fish as well as spirits of place and many other sentient beings all of which co constitute local notions of home places The contributors extend their analysis beyond conventional categories of wild and tame in a region that is increasingly hostile toward its own inhabitants due to global efforts to create protected nature reserves Using ethnographic nuance the contributors highlight the many connections between humans and other species stressing the networks of relationships that transcend idioms of dominance or mutualism This book is recommended for students and scholars of anthropology environmental studies and Asian studies      *Animals in Ritual and Economy in a Roman Frontier Community* Maaïke Groot,2008 Religion Opfer Ritus Ern hrung      **Animal Husbandry and Hunting in the Central and Western Balkans Through Time** Nemanja Marković,Jelena Bulatović,2020-11-05 This volume presents the results of new research on animal herding and hunting in the central and western Balkans during the prehistoric and historic periods The investigations cover a wide range of topics related to animal exploitation strategies ranging from broad syntheses to specific case studies      **The Science Reports of the Tôhoku University** ,1952      *The Horse: how to Choose Him and how to Use Him; Being Plain and Practical Directions and Advice for Management in the Stable and on the Road ...* Horse,1862      *The Essentials of Horsekeeping* Rachel Hairston,2005-08 Maintain your horse s well being with advice on everything from a healthy equine diet to emergency care everything you need to keep your horse in top form is here cover      **The Cornhill Magazine** George Smith,William Makepeace Thackeray,1861      **Management, Ailments & Injuries** Ray Saunders,1982      **The Horse in West African History** Robin Law,2018-08-16 Originally published in 1980 and here re issued with an updated preface this book deals with the role of the horse in the societies of West Africa during the pre colonial period It traces the history of its introduction and its diffusion within West Africa and examines the problems of maintaining horses in such a harsh environment The use of horses in warfare is analysed but the non military aspects of the West African horse culture are also discussed principally the use of horses as tokens of status and wealth The book includes a review of the decline of the West African horse culture in the 20th century reflecting the passing of a political system based on warfare and slavery      **Smallholders and Stockbreeders** P. Boomgaard,David E.F. Henley,2021-11-15 Historians of Southeast Asia have traditionally preferred to write about politics and culture rather than economics and ecology and where they have looked at

the history of agriculture they have most often concentrated on cash crops like sugar coffee and rubber which figure prominently in colonial records Smallholders and stockbreeders by contrast provides a rare survey of the history of foodcrop farming and a unique look at the history of animal husbandry in the Southeast Asian region Thirteen contributions by an international selection of expert authors cover topics ranging from the agricultural economy of precolonial Java to the growth of rice production in the Mekong Delta since 1950 and from the breeding of horses on the northern borderlands of mainland Southeast Asia to the production and consumption of beef in the Philippines New light is shed on old questions regarding the directions in which Southeast Asian agriculture has evolved over the centuries and new questions raised regarding the cultural demographic economic and political determinants of farming practices While the geographical and chronological scales of analysis vary most chapters deal with relatively large areas and with developments over periods of 100 years or more Besides production for subsistence commercial aspects of livestock and foodcrop farming are also given due attention and prove to have been important in many parts of the region from very early periods Smallholders and stockbreeders is essential reading for anyone interested in the agricultural history of Southeast Asia whether for its own sake or in connection with other aspects of regional history or for purposes of comparison with other parts of the world **The Publishers'**

**Trade List Annual** ,1985 *The Cornhill Magazine* ,1861 **Horse Power and Magic** George Ewart Evans,2012-03-15 The pioneering oral historian George Ewart Evans began to record the farming ways of East Anglia in the 1950s by listening to old men and women whose memories went back more than fifty or sixty years Many were agricultural labourers born before the turn of the century who had worked on farms before the arrival of mechanisation It was assumed at that time that horses would soon disappear from the farms and that this was the last chance of recording the part they had played for centuries It later became clear that this forecast was too pessimistic and in *Horse Power and Magic* Faber 1979 Ewart Evans describes in fascinating detail some important farms where horses continued to be beneficially used more than thirty years later He discovered that the traditions of the older horsemen had not died out but had been passed on in only slightly attenuated form to a younger generation keen to farm with horses proving that the day of the heavy horse was by no means over He also describes vividly the ways of horse tamers whose skills had a touch of magic about them Taking his works a whole there is no doubt that George Ewart Evans will survive as a fascinating pioneer of the extra academic recording of human history he has found a dimension all his own This is indeed the very stuff of history Sunday Times **The Agricultural Gazette and Modern Farming** ,1907 *Chronicle of the Horse* ,1979-10 **Small Farm Today** ,2005

**Traditional Horse Husbandry** Carl W. Gay,2003 This classic guide to horse husbandry first published in 1914 features every topic of interest to those who own or use horses for practical purposes or pleasure Published at a time when horses were regarded as an industry it emphasizes methods to increase equine productivity As a matter of fact it was originally written as a textbook for the student of agriculture in a less mechanized era complete with review questions at the end of

each chapter Today s readers will enjoy the well illustrated historical depiction of the horse as machine before the imminent arrival of Henry Ford and his horseless carriage      Rural Heritage ,1997      The Evener, ... Annual Work Horse, Mule & Oxen Directory ,1995
