

Small Town Cops A Sociological Analysis

Maureen E. Cain

Small Town Cops A Sociological Analysis:

Small Town Cops Mark A. Edwards, 2004-09-01 *Small Town Cops* is a detailed and insightful participant observant analysis of a rural community police department This research combines observations of street action and interviews with police officers jailers dispatchers and inmates to present a candid overview of the problems that afflict the lives of officers working in a small town policing by focusing on issues relating to comradeship racism sexism interpersonal communication and the blue shield of silence The research debunks the belief that small town cops are backward uneducated and without professional ethics Moreover it exposes readers to the complexities faced by small town officers when compared to their urban counterparts officers in an effort to overcome the complexities associated with small town life The data also exposes the strategies employed by officers to find balance between their personal professional and community expectations and goals This study is of value to anyone interested in sociology criminal justice policing and ethnographic research

Crime and Policing in Rural and Small-Town America Ralph A. Weisheit, David N. Falcone, L. Edward Wells, 2005-09-21 While most researchers see the urban setting as being the only laboratory for studying crime problems throughout the United States *Crime and Policing in Rural and Small Town America* directly challenges this notion with an authoritative look at crime and the criminal justice system in rural America today The assumption that rural crime is rare and comparable across various communities has led to incompatible theories and irrelevant practices In order to transform this misconception the Third Edition offers a clear outline of the definition of rural and provides a vital argument for why rural and small town crime should be studied more than it is The book also explores the individual nature of issues that emerge in these communities including illegal drug production domestic violence agricultural crimes rural poverty and gangs in addition to the training needs of rural police probation in rural areas and rural jails and prisons Responding to rural crime requires an awareness of its context and how justice is carried out as well as an appreciation of how features vary across rural areas Understanding the relationships among crime geography and culture in the rural setting can reveal useful ideas and implications for crime and justice in communities across the United States

Society and the Policeman's Role Maureen E. Cain, 2015-07-24 The role of the policeman in the community and attitudes towards the police are now matters of active public concern In this important and enlightening study first published in 1973 Maureen Cain gives an account of how the police operate in the United Kingdom Her book will be of great value to sociologists criminologists and policemen alike

Crime and Policing in Rural and Small-town America Ralph A. Weisheit, 1995 *Criminal Justice 2000: Measurement and analysis of crime and justice*, 2000 *Community Policing in Indigenous Communities* Mahesh K. Nalla, Graeme R. Newman, 2013-03-04

Indigenous communities are typically those that challenge the laws of the nation states of which they have become often very reluctantly a part Around the world community policing has emerged in many of these regions as a product of their physical environments and cultures Through a series of case studies *Community Policing in Indigenous Communities* explores how

these often deeply divided societies operate under the community policing paradigm Drawing on the local expertise of policing practitioners and researchers across the globe the book explores several themes with regard to each region How community policing originated or evolved in the community and how it has changed over time The type of policing style used whether informal or formal and uniformed or non uniformed whether partnerships are developed with local community organizations or businesses and the extent of covert operations if any The role played by community policing in the region including the relative emphasis of calls for service the extent to which advice and help is offered to citizens whether local records are kept of citizen movement and locations and investigation and arrest procedures The community's special cultural or indigenous attributes that set it apart from other models of community policing Organizational attributes including status in the hierarchy of control within the regional or national organization of policing The positive and negative features of community policing as it is practiced in the community Its effectiveness in reducing and or preventing crime and disorder The book demonstrates that community policing cannot be imposed from above without grassroots input from local citizens It is a strategy not simply for policing with consent but for policing in contexts where there is often little if any consent It is an aspirational practice aimed to help police and communities within contested contexts to recognize that positive gains can be made enabling communities to live in relative safety

Citizens, Cops, and Power Steve Herbert, 2009-11-21 Politicians citizens and police agencies have long embraced community policing hoping to reduce crime and disorder by strengthening the ties between urban residents and the officers entrusted with their protection That strategy seems to make sense but in **Citizens Cops and Power** Steve Herbert reveals the reasons why it rarely if ever works Drawing on data he collected in diverse Seattle neighborhoods from interviews with residents observation of police officers and attendance at community police meetings Herbert identifies the many obstacles that make effective collaboration between city dwellers and the police so unlikely to succeed At the same time he shows that residents pragmatic ideas about the role of community differ dramatically from those held by social theorists Surprising and provocative **Citizens Cops and Power** provides a critical perspective not only on the future of community policing but on the nature of state society relations as well

Measurement and Analysis of Crime and Justice, Vol. 4, Criminal Justice 2000, (July 2000), 2000 **Social Service Review**, 1918 **Rural Women Battering and the Justice System** Neil Websdale, 1998 A training resource for anyone working with battered women especially in rural areas **Rural Woman Battering and the Justice System** is recommended for law enforcement and criminal justice professionals practitioners advocates shelter personnel and advanced students in related courses of study as well as academics and researchers **Police Relations in Small Colorado Communities** United States Commission on Civil Rights. Colorado Advisory Committee, 1983 **National Criminal Justice Thesaurus**, 1998 **Police Behavior, Hiring, and Crime Fighting** John A. Eterno, Ben Stickle, Diana Scharff Peterson, Dilip K. Das, 2021-09-27 This edited collection by internationally recognized authors provides essays on police

behavior in the categories of police administration police operations and combating specific crimes Individual chapters strike at critical issues for police today such as maintaining the well being of officers handling stress hiring practices child sexual exploitation gunrunning crime prevention strategies police legitimacy and much more Understanding how police are hired and behave is a way of understanding different governments around the world The book will cover the practices of countries as diverse as China Germany India Japan Turkey South Africa the United States and others Readers will be exposed to aspects of police that are rarely if ever explored The book is intended for a wide range of audiences including law enforcement and community leaders and students of criminal justice

The Encyclopedia of Police Science William G. Bailey, 1995 The first edition 1989 is cited in ARBA 1990 and the Supplement to Sheehy A reference that contains signed alphabetical entries which examine all major aspects of American policing and police science including history current practices new initiatives social pressures and political factors The second edition considerable expands its scope with 70 new entries and revisions and updates of others In this edition greater emphasis is placed on the coverage of drug abuse suppression new types of crime federal mandates for action and international developments that affect American police

Juvenile Justice: A Social, Historical, and Legal Perspective Preston Elrod, R. Scott Ryder, 2020-02-20 *Juvenile Justice A Social Historical and Legal Perspective* Fifth Edition guides students in developing a sound and balanced understanding of juvenile justice and the social legal and historical context that shapes juvenile justice practice Throughout the text there are FYIs Myths v Reality Comparative Focus and Interviews that highlight important facts dispel common myths compare practices in the United States with those of other countries and allow readers to hear from present and former juvenile justice practitioners Each chapter also contains critical thinking questions intended to help students examine key issues raised in the chapter and a discussion of important legal issues related to chapter content Every new print copy includes an access code to the Navigate Companion Website that features interactive and informative

learning resources to gauge understanding and help students study more effectively

Social Equity and the Funding of Community Policing Ricky S. Gutierrez, 2003 This analysis of social equity and the solicitation and granting of federal funds will examine how police agencies have changed in lieu of the receipt of these funds authorized by the 1994 Federal Crime Bill In the first part of this study an analysis of the recent history of federal funding aimed at improving law enforcement capabilities will be examined Next the community oriented policing COP movement will be analyzed by detailing the types of programs subsidized by the 1994 Crime Bill funding their original intent and how they were to be operationalized will be discussed A theoretical framework will be presented that will use empirical assessments of the number of community or proactive programs in place in each agency degrees of organizational change noted in a three year review of each department s structure as reported in the LEMAS survey of police departments the levels of economic inequality present in the jurisdictions that received COP funding and the ethnic composition of these jurisdictions

Law Enforcement Operations and Management Marilyn D. McShane, Franklin P. Williams, 1997

The Opioid Crisis Gail Ukockis, 2024 When I first heard my classmates complain about policy classes I had been shocked As a history buff and news enthusiast I loved talking about how Medicare legislation passed in 1965 Who wouldn t be intrigued by the difference between SSI and SSDI Later when I accepted the offer to teach my first policy class I feared that some students would dismiss it as a waste of time I spent weeks finding material that would grab their attention and make them love policy as much as me Shortly before the fall quarter started I spent a week in Florida

Rural Crime and Rural Policing Ralph A. Weisheit, David N. Falcone, L. Edward Wells, National Institute of Justice (U.S.), 1994

Small Town Cops A Sociological Analysis: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Small Town Cops A Sociological Analysis : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Small Town Cops A Sociological Analysis : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
