Duty Status Whereabouts Unknown Jonathon Cody, 2009 The wars in Iraq and Afghanistan are typified by an enemy who strikes from the shadows sniper fire RPG s and suicide bombers are his modus operandi But above all others this enemy s favorite weapon is the improvised explosive device IED Ranging from the simplest of construction to the most sophisticated of all gadgetry the IED represents a grave threat to American soldiers all over the world In this kind of fight there is only one kind of soldier uniquely qualified to deal with these destructive weapons of war the Explosive Ordnance Disposal EOD technician With over 8 years of experience in EOD Staff Sergeant John Breuer knows a thing or two about danger As an EOD team leader he s encountered more than his fair share of IEDs But when he s betrayed by the Iraqi Army and sold to insurgents this bomb technician must confront a different kind of horror being listed as Duty Status Whereabouts Unknown DUSTWUN Tortured and exploited for propaganda purposes Jack must use his skills as a soldier and as a bomb technician to escape his captors before they have a chance to remove his head from his body An action packed adventure DUTY STATUS WHEREABOUTS UNKNOWN is a thoughtful tale of Operation Iraqi Freedom OIF and the soldiers who fight there with a focus on realism and technical details that only experience can convey Devoid of politics this novel tells an unblemished story of America s fight in the Global War on Terror GWOT and of Her soldiers day to day struggle *Niles' Weekly Register ...* Hezekiah Niles, 1813 *Addie* Mary Lee Settle, 1998 An autobiography that begins with one s birth begins too late in the

middle of the story sometimes at the end So begins Mary Lee Settle s memoir Her story carries within it inherited choices old habits old quarrels old disguises and the river that formed the Kanawha Valley of West Virginia and the mores of her childhood She traces effects on her family and herself as ancient as earthquakes mountain formations and the crushing of swamp into coal deposits In doing so Settle records the expectations talents and tragedies of a people and a place that would serve as her deep and abiding subject in *The Beulah Quintet* **Poltroons and Patriots** Dr. Glenn Tucker,2018-04-03

Author Glenn Tucker s interest in research on the War of 1812 was piqued whilst he was employed as a newspaperman in Washington D C I wanted to find out what truly occurred when the British occupied the American capital in 1814 Nothing like Ross s seizure of the capital of a great power with a small attacking force has happened elsewhere in modern times No other event gives so clear a view of the trials of our young government Searching out the details of Ross s conquest I found them gripping but meagerly reported and often with a farcical touch Often the incidents which many have regarded as humiliating and have wished forgotten abound in human interest and pointed lesson The interest and significance of the story of the Ross expedition led me to the story of the entire war Study of the war as a whole revealed strong contrast of cowardice and courage I have been amazed by the poltroonery and incompetence of some of the generals and cabinet members I have been stirred by the patriotic devotion of James Monroe by the flashing genius of Henry Clay by the patience and true greatness of James Madison And I discovered that not only men of high position played exciting roles in the war Soldiers seamen newsmen couriers and many others whose names are now obscure played brilliant if brief scenes some comic some adventurous some tragic The course of the War of 1812 like that of all wars was determined as much by emotion as by economic and political pressures Men acted and reacted violently passionately Today the wisdom and courage of some of their deeds evoke tremendous respect the foolhardiness of others evokes laughter Throughout these volumes I have made an effort to discern the thoughts and feelings of the people whose actions wove the variegated pattern of the war *Knife's*

The Psalm 23 Mysteries Bundle, The Lord is My Shepherd & I Shall Not Want - eBook [ePub] Debbie Viguie,2013-12-31 This bundle contains The Lord Is My Shepherd and I Shall Not Want The Lord Is My Shepherd Cindy s church is getting ready to celebrate Easter and Jeremiah s Temple is preparing for Passover when Cindy literally stumbles

over the body of an unknown man lying dead in the sanctuary The church was locked and a bloody cross necklace on the floor seems to be the only clue The killer is likely a member of the congregation but there are hints that similar deaths have happened in the past Are Cindy and Jeremiah dealing with a serial killer They have to unravel the clues before Easter Sunday arrives and more people die I Shall Not Want Charity work can be murder It s Thanksgiving and Joseph Tyler one of the members of Cindy s church has organized a new charity that provides homeless people with rescue dogs to love and care for But one by one the homeless recipients are being murdered and their dogs stolen Could an overly competitive millionaire with his prize winning pooches and a grudge be behind the crimes Or could it be someone much closer to Joseph who has something sinister to hide Cindy and Jeremiah must rush to find a killer before he strikes again *Drummer's Luck* Jon Bezayiff, 2003-03-18 DRUMMER S LUCK is based upon actual events that occurred in America s Revolutionary War at the surrender of Yorktown in 1781 when a young British drummer boy resolutely stood silhouetted on a parapet under fire from Continental riflemen to beat out a call to parley DRUMMER S LUCK begins on the grim streets of Edinburgh Scotland where Ossian an orphaned choirboy of 11 is cruelly pressed into Britain s Royal Navy to serve as a powder monkey aboard a ship of the line Born under mysterious circumstances and raised by a secretive mother Ossian is unaware his unknown father chieftain of Scotland s most powerful clan and a lethal duelist is seeking him Ossian learns to survive by wits and courage on a man of war that is little more than a floating prison as he begins a dangerous journey that will lead him from the horrors of eighteenth century naval warfare to the battlefields of Cornwallis campaign in the Carolinas and Virginia From the dangers of life at sea to the plantations of South Carolina DRUMMER S LUCK is the story of one young boy s frightening discovery of his true identity while seeking a new life for himself in America
