Smiles On Washington Square A Love Story Of Sorts:

Raymond Federman and Samuel Beckett Nathalie Camerlynck, 2021-07-13 This book is about Raymond Federman and his incredible textual obsession with Samuel Beckett Federman was a scholar of Beckett postmodern theorist a self translator and avant garde novelist Born in Paris in 1928 all of his immediate family perished in the Holocaust Federman escaped thanks to his mother who hid him in a closet After the war he migrated to America and devoted his life to scholarship and creative writing In both he devoted his life to Beckett Federman's creative and theoretical writings contaminate and pervert each other just as in his novels French contaminates English and fiction perverts reality His work is centered on the details of his survival enacting a perpetual return to the closet as previous studies have demonstrated By examining Beckettian and by extension Joycean intertextuality in the novels of Raymond Federman this study traces the contours of a second closet

Federman's Fictions Jeffrey R. Di Leo, 2012-01-02 This collection of essays offers an authoritative examination and appraisal of the French American novelist Raymond Federman's many contributions to humanities scholarship including Holocaust studies Beckett studies translation studies experimental fiction postmodernism and autobiography Although known primarily as a novelist Federman 1928 2009 is also the author of numerous books of poetry essays translations and criticism After emigrating to the United States in 1942 and receiving a Ph D in comparative literature at UCLA in 1957 he held professorships in the University at Buffalo's departments of French and English from 1964 to 1999 Together with Steve Katz and Ronald Sukenick he was one of the original founders of the Fiction Collective a nonprofit publishing house dedicated to avant garde experimental prose Far too many accounts treat Federman as merely a member of a small group of writers who pioneered metafictional or postmodern American literature Federman's Fiction will introduce or for some reintroduce to the broader scholarly community a creative and daring thinker whose work is significant not just to considerations of the development of innovative fiction but to a number of other distinct disciplines and emerging critical discourses

Novelistic Love in the Platonic Tradition Jennie Wang, 1997 The love story is an integral part of many novels What is its narrative status How does it function and why In this original study of Socratic love stories from Plato through Fielding and Faulkner to the Postmodernists Jennie Wang proposes a new narrative theory in the study of the novel which deconstructs the mimesis of love stories and reconstructs their historicity Wang claims that in the Platonic tradition the construction of love stories is often a dramatization of the author's historical vision philosophical speculations cultural criticism or political ideology Novelistic love functions as a literary medium a power of free speech that enables the novelist to speak unspeakable truths and include excluded subjects Wang's work will be of interest to both philosophers and scholars of American literature and postmodernism

Postmodernizing the Holocaust Marta Tomczok, 2024-01-22 Marta Tomczok presents all Polish postmodern novels about the Holocaust starting with *The First Splendor* by Leopold Buczkowski and ending with *The Suspected Dybbuk* by Andrzej Bart She also presents their rich relationships with selected foreign language

prose which intensified especially at the turn of the 20th and 21st centuries The culmination of the entire trend is a discussion around two novels *Tworki* by Marek Bie czyk and *Fly Trap Factory* by Andrzej Bart which reveals the aestheticizing and post memorial profile of Polish postmodernization and its advantage over the historiosophical trend This monograph is not only the first such collection of post Holocaust postmodern novels but also the first comprehensive study of postmodernism in the literature about the Holocaust which thanks to comparative analysis tries to analyze and explain the circumstances of the appearance and later disappearance of this trend from cultural landscape of the world and Poland

International Postmodernism Hans Bertens, Douwe W. Fokkema, 1997-02-20 Containing more than fifty essays by major literary scholars *International Postmodernism* divides into four main sections The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing The final and fourth section deals with the reception and processing of postmodernism in different parts of the world Three important aspects add to the special character of *International Postmodernism* The consistent distinction between postmodernity and postmodernism equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader i e the reader's knowledge experience interests and competence as crucial factors in text interpretation This comprehensive study does not expressly focus on American postmodernism although American interpretations of postmodernism are a major point of reference The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors Hans Bertens and Douwe Fokkema opt for the title *International Postmodernism*

Smiles on Washington Square Raymond Federman, 1995 In this his fifth novel in English and its first paperback edition the acclaimed French born writer and poet Raymond Federman has given us the bittersweet tale of Moinous and Sucette who fall in love across a smile in Washington Square *Smiles on Washington Square* is a charming and complex novel With the masterful ease of a tightrope walker Federman plays with our sense of time and space as he creates with extraordinary compassion a tale that makes us see our own vulnerability and worthiness Stylistically his links to Beckett are evident in the stripped down prose the remarkable symbolism and word games and in his focus on the downtrodden and inarticulate cast aways of an industrialized world Ultimately *Smiles on Washington Square* is a book that teaches us there is no easy story no safe entrance no line of action not fraught with obstacles and humiliation but finally in the face of the inevitable disappointment of the human condition Federman shows us how sweet possibility is **Mimesis in**
