Smithfield Ham Capital Of The World Images Of America:

Smithfield Patrick Evans-Hylton,2004 The history of Isle of Wight County and Smithfield are nearly as old as the settlement of the nation itself In 1608 explorer Capt John Smith visited the area south of his Jamestown Colony in search of food and trade with the Warascoyak Indians The region s first inhabitants took root in 1619 and the town of Smithfield was established in 1752 A culinary specialty of the area learned from the Native Americans was introduced to the rest of the world in the late 1700s a salt cured cut of pork later known as Smithfield Ham The popularity of the ham grew and everyone from royalty Queen Victoria ordered hams frequently to presidents have dined on the delicacy making the quaint village of 6 500 Ham Town U S A Today the only place to get a genuine Smithfield ham is from this Virginia town **Hampton Roads**

Patrick Evans-Hylton,2005 When Capt John Smith first landed his ships at Cape Henry in Virginia Beach he must have known the military importance of the jut of land today it is home to Fort Story and the location played a key role during World War II in making sure enemy ships and subs did not sail into the mouth of the Chesapeake Bay and onto Norfolk the world s largest naval base Smith established this country s first military base when he settled in Jamestown building a fort to protect the early colonists That simple military presence grew exponentially and during World War II was instrumental in not only defending the homeland but in winning the war From the Peninsula to Southside the Hampton Roads area is military proud There are more than a dozen forts and bases many of which sprung up during World War II or were greatly expanded during that time Handbook of Fermented Meat and Poultry Fidel Toldrá,2008-04-15 An internationally respected editorial team and array of chapter contributors has developed the Handbook of Fermented Meat and Poultry an updated and comprehensive hands on reference book on the science and technology of processing fermented meat and poultry products Beginning with the principles of processing fermented meat and ending with discussions of product quality safety and consumer acceptance the book takes three approaches background and principles product categories and product quality and safety The historical background on the fermentation of meat and poultry products is followed by a series of discussions on their science and technology curing fermentation drying and smoking basic ingredients raw product additives spices and casings and starter cultures Coverage of product categories details the science and technology of making various fermented meat and poultry products from different parts of the world including semidry fermented sausages summer sausage dry fermented sausages salami sausages from other meats and ripened meat products ham Product quality and safety is probably the most important aspect of making fermented meat and poultry because it addresses the question of consumer acceptance and public health safety While a processor may produce a wonderful sausage the product must ultimately satisfy the consumer in terms of color texture taste flavor packaging and so on In the current political and social climate food safety has a high priority Coverage includes issues such as spoilage microorganisms pathogens amines toxins HACCP and disease outbreaks The Official Blue Book of the Jamestown Ter-centennial Exposition, A.
