Crushing Debt David Trahair,2012-01-06 As the majority of Canadians are now spending much more than they make their debt levels are reaching crisis proportions Excluding mortgage debt the average Canadian owes over 25 000 in consumer debt which poses massive risks not only for the individuals carrying that financial load but for our entire financial system In *Crushing Debt* bestselling author David Trahair Enough Bull warns Canadians that consumer debt is becoming an urgent problem but one that can be solved Trahair clearly outlines the evils of debt and how easy it is for debt to spiral out of control with examples of real life stories of debt disasters If you are a Canadian who is already struggling with debt *Crushing Debt* will motivate you to face your financial problems and will show you step by step the most appropriate solution to getting out of your personal debt hell Filled with proven advice *Crushing Debt* is a call to action on an urgent and debilitating problem for far too many Canadians

The Procrastinator's Guide to Retirement David Trahair,2021-03-06 Let s face it planning and saving for retirement is not easy We are told that the earlier we start the better and that the magic of compounding will make our dreams come true if we simply trust the stock market and our investment advisor But for most people it s simply not possible People in their twenties are often saddled with student debt and may be struggling to find suitable full time employment Saving for retirement is the last thing on their minds as it should be Then in our thirties and forties we tend to do things like get married have kids and buy houses All these things cost a lot of money So for many people there simply isn t any money left to put away for retirement Therefore many of us become procrastinators when it comes to saving for retirement But there is hope This book will take you step by step though planning and saving for retirement starting in your fifties and the best way to fund your retirement years It is designed for people approaching retirement who want to ensure it is comfortable and stress free

Enough Bull David Trahair,2015-02-17 Stop risking everything to make your investment advisor rich The stock market crash of 2008 proved one thing traditional retirement planning advice simply doesn t work The risks are too enormous Trusting the stock market is like gambling with your family s future But how do you plan for retirement without risking everything *Enough Bull* shows you how with an easy to understand simple to apply strategy for a better retirement *Enough Bull* overturns the conventional wisdom about retirement planning and offers the simple secrets to securing a comfortable retirement In an accessible and straightforward style this practical guide explains how it s possible to save for retirement starting later in life retire comfortably on less money and incur less risk Updated to apply to both the U S and Canada this new second edition offers a message of hope for average cash strapped baby boomers by detailing a step by step plan for avoiding all the traps doing the exact opposite of what the major financial institutions recommend and still coming out further ahead Invest only in safe investments that will never decline

Get out of the stock market and mutual funds forever Why waiting to save for retirement may beat starting early Elect to receive the CPP pension at exactly the right age Avoid the common scams that lead to financial disaster More than ever before retirees are frightened and stressed out about finances There never seems to be enough to pay current bills let alone save thousands in RRSPs and 401Ks yet the large financial institutions bombard us with fearful messages of destitution unless we maximize our contributions The truth is this makes them rich and you poor Cut through the noise stop taking the bait and discover how you can have a comfortable future without sacrificing the present Enough Bull provides the plan you just need to act

The Smart Canadian's Guide to Saving Money Pat Foran, 2010-03-18 Canada's top consumer advocate returns with more financial advice Canadian consumers are focused on spending and managing what money they do have wisely but have more questions than answers on most financial topics Television personality and consumer advocate Pat Foran shares tips and strategies about the questions and issues he sees most often and explains how some little things can soon add up to a lot of money Some of the topics covered include Credit and loyalty cards and what kind of deal they really are How much insurance is enough and what kinds do most people need How to shop for a vehicle and if it's worth it to import from the US Mortgages tax breaks and other complicated financial decisions Getting the most bang for your buck whether while shopping or travelling Packed with money saving advice this title will also include the latest information on marketplace trends the investment climate housing prices interest rates and other techniques for savings As an added bonus Pat has included quotes and comments from prominent Canadian businesspeople and celebrities about the best financial advice they've received in their lifetimes Pat Foran is seen by millions of Canadians each week as the Consumer Reporter for CFTO News and Consumer Expert on CTV's Canada AM His Consumer Alert segment is currently on CFTO's noon six o'clock and eleven thirty newscasts five days a week with an audience of 700 000 viewers and he appears on Canada AM Canada's number one national morning show every week dispensing financial and consumer advice

[Cash Cows, Pigs and Jackpots](#) David Trahair, 2012-09-19 A contrarian and controversial look at personal finance and a super simple strategy for making and keeping more money Traditional financial wisdom persuades us to grow our net worth and build our assets But traditional financial wisdom is often wrong In Cash Cows Pigs and Jackpots The Simplest Personal Finance Strategy You'll Ever See author and Chartered Accountant David Trahair challenges everything we think we know about managing our money suggesting that that we follow the lead of the financial institutions that are leading us down the path to financial ruin The banks brokers and investment companies of the world make enormous sums of money because they know that cash is king and they know how to guarantee cash flow from their clients on a continual basis They aren't making the bulk of their money from investing in the stock market they're leeching it from regular people like you every minute of every day Cash Cows Pigs and Jackpots turns the tables showing that the biggest cash cow we have is ourselves Instead of chasing a dream that will never come true it presents a financial plan so simple even a 10 year old could understand it Explains why the common

consensus about making money is inherently flawed Presents an incredibly simple easy to follow plan for really making and saving money Exposes the dangers of trusting money to a bank or broker Helping you break asset addiction get out of debt and increase your personal cash flow and your wealth with it Cash Cows Pigs and Jackpots explains how bringing more cash into your life and watching carefully where it goes will allow you to save more live the life you want and avoid as much risk as possible a great strategy going into the stormy financial years to come **Smoke and Mirrors 2009** David

Trahair,2008-12-15 This book will give Canadians the ammunition they need to fight back against the scare tactics and rule of thumb selling methods used by many banks and financial planners to suck money out of your pockets every day Quill & Quire ,2007 **Canadian Books in Print. Smoke And Mirrors Financial Myths That Ruin Retirement Dreams Introduction

In today's digital age, the availability of Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals for download, along with some popular platforms that offer these resources.

One of the significant advantages of Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Smoke And Mirrors Financial Myths That Ruin Retirement Dreams versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Smoke And Mirrors Financial Myths That Ruin Retirement Dreams books and manuals for download and embark on your journey of knowledge?
