The Canadian Oxford Dictionary

Katherine Barber, 1998 We all use Canadian English every day when we order a pizza all dressed hope to get a seat sale to go south during March break or book off work to meet with a CGA to discuss RRSPs Language embodies our nation's identity and The Canadian Oxford Dictionary in its 1 728 pages covers all aspects of Canadian life Never before have Canadians been able to see their language and themselves so accurately and comprehensively described in a dictionary The loggers of the west coast the wheat farmers of the Prairies the fishermen of the Atlantic provinces the trappers of the North Canada's Aboriginal peoples its British and French settlers and the more recent arrivals whether they came from Ukraine Italy South Asia or elsewhere all have contributed to making Canadian English unique and the dictionary thus reflects the great sweep of Canadian life It contains over 2 000 distinctly Canadian words and meanings more than any other Canadian dictionary covering every region of the country Whether you call your favorite doughnut a jambuster a bismark a Burlington bun or the more prosaic jelly doughnut may depend on where you live in Canada but they will all be found in The Canadian Oxford Dictionary Of course this is not just a dictionary of Canadian words its 130 000 entries combine in one reference book information on English as it is used worldwide and as it is used particularly in Canada Definitions worded for ease of comprehension are presented so the meaning most familiar to Canadians appears first and foremost Each of these entries is exceptionally reliable the result of thorough research into the language and Oxford's unparalleled language resources Five professionally trained lexicographers spent five years examining databases containing over 20 million words of Canadian text from more than 8 000 Canadian sources of an astonishing diversity Inuit Art Quarterly The Fiddlehead Canadian Business and Equinox the work of writers such as Jack Hodgins Sandra Birdsell David Adams Richards and Pierre Berton daily and weekly newspapers from across the country and of course the Canadian Tire catalogue all find a place in the evidence of The Canadian Oxford Dictionary The lexicographers also examined an additional 20 million words of international English sources For many Canadians one of the more puzzling aspects of writing is trying to determine whether to use the American spelling or the British spelling Should it be colour or color theater or theatre programme or program By examining our extensive Canadian databases our lexicographers have been able to determine which in fact is the more common spelling colour theatre and program Favoured Canadian pronunciations have also been determined by surveying a nationwide group of respondents Oxford's thorough research has also ensured that new words that have recently appeared are well represented So if you're someone who puts on your bicycle shorts and blades over to the gym to do some crunches for your abs followed by work on your lats pecs and delts finishing up with a step class because you're afraid that being a chocoholic who loves comfort food will affect your body mass index and you want to avoid yo yo dieting you'll find all these common words in The Canadian Oxford Dictionary An added feature of this dictionary is its encyclopedic element It includes short biographies of over 800 Canadians ranging from Elvis Stojko Celine Dion and Jean Beliveau to Nellie McClung Lester B Pearson and Kim Campbell It

also contains entries on 5 000 individuals and mythical figures of international significance and almost 6 000 place names more than 1 200 of them Canadian Indeed all Canadian towns with a population of 5 000 or more are featured and their entries not only explain the origin of the place name but also include the population based on the 1996 census With the publication of The Canadian Oxford Dictionary Oxford University Press adds another work to its highly respected range of dictionaries and Canadians finally have a dictionary that truly reflects their nations
