Deja vu is primarily a recollection of travel experiences and events Places people and politics mingle and intersperse the separate flow relating the disparate stories views commentaries and outright outbursts of disbelief of the state of politics the turning on of the TV to see war and horror and then to get back to the tricky thing that MIRROR LAKE is so beautiful it really defies description Sometimes the number of beers that it takes to get one s mind from one thing to another eventuates an entirely unrelated experience that then insists on being told Maybe DEJA VU will seem somewhat deja vu ish to you
