Smoldering Poems Of Romance:

Smoldering Wendell Graham,1998-05-01 *The World's Best Poetry: Poems of love* Bliss Carman,1904 **Daughter of the Pyramids - a Romance** Esther Pasztory,2003-12-10 Daughter of the Pyramids Naomi is writing a novel set in ancient Mexico and accidentally turns into her heroine Marigold Marigold is on a journey from her home in the city of the pyramids Teotihuacan to the Maya city of Tikal While Naomi experiences Marigolds adventures including a passion for a mysterious Maya lord she is also desperate to get back to her own world in Morristown New Jersey She discovers the secret of time travel but no longer knows whether she wants to live in the present or the past And which man will she choose the young archaeologist or the ruler of Tikal Colonial Tales are eight short stories set in Colonial Mexico and deal with love friendship and betrayal in the New World **Arabian Romantic** 'Abdallāh ibn Sbayyil,2020-10-06 Scenes from Arabian life at the turn of the twentieth century Arabian Romantic captures what it was like to live in central Arabia before the imposition of austere norms by the Wahhabi authorities in the early twentieth century tales of robbery and hot pursuit perilous desert crossings scenes of exhaustion and chaos when water is raised from deep wells under harsh conditions the distress of wounded and worn out animals on the brink of perdition once proud warriors who are at the mercy of their enemy on the field of battle Such images lend poignancy to the suffering of the poet s love stricken heart while also painting a vivid portrait of typical Bedouin life Ibn Sbayyil a town dweller from the Najd region of the Arabian Peninsula was a key figure in the Naba poetic tradition His poetry which is still recited today broke with the artifice of the preceding generation by combining inherited idiom and original touches reflecting his environment Translated into English for the first time by Marcel Kurpershoek Arabian Romantic will delight readers with a poetry that is direct fluent and expressive and that has entertained Arabic speakers for over a century An English only edition *Selected Poems of August Strindberg* Lotta M. Löfgren,2002 August Strindberg 1849 1912 was one of the great innovators of modern drama as well as a novelist poet and master of the Swedish language In this collection *Selected Poems of August Strindberg* editor and translator Lotta M Lofgren has chosen poems from all three volumes of Strindberg s verse *Poems in Verse* and *Prose* *Sleepwalking Nights* on *Awake Days* and *Word Play* and *Minor Art* to illustrate to the English speaking reader the development strengths and versatility of Strindberg the poet Lofgren explains Although August Strindberg is internationally acknowledged as a pioneering realist expressionist and surrealist playwright his poetry is still relatively unknown outside Sweden The only English translation of his poems to date is the 1978 translation of *Sleepwalking Nights* by Arvid Paulson that gives an incomplete and misleading picture of Strindberg s poetry Lofgren s translation seeks to correct that picture Strindberg s stature as a dramatist alone may be adequate justification for offering a translation of his verse but his poetry stands well on its own All three volumes broke new ground and paved the way for younger generations of poets Lofgren hopes that her translation will not only introduce Strindberg s verse to English speaking readers but will also inspire other scholars to revisit his poetry and give it the attention it deserves

Selected Poems of August Strindberg received the American Scandinavian Foundation's Translation Prize **The Love of Loves in the Song of Songs** Philip Graham Ryken, 2019-02-14 We live in a world where sexuality is ruined by sin its beauty obscured by our brokenness We need a divine vision for the way love was meant to be with a gospel that offers forgiveness for sin and grace to live in the way that God has made us to be In the Song of Songs we encounter a love story that is part of the greatest love story ever told Philip Ryken walks through this biblical love poem verse by verse reflecting on what the Bible says about God's design for love intimacy and sexuality and offering insights into not only human relationships but also our relationship to God himself learning more about the One who has loved us with an everlasting love **Collected Poems** Vachel Lindsay, 1925 A wide variety of moods and subjects are represented in this collection of poetry that is illustrated with drawings by the author **Thomas Hardy, Poet** Adrian Grafe, Laurence Estanove, 2015-09-25 The poems of Thomas Hardy 1840-1928 are key to understanding 19th 20th and even 21st century poetry This collection of fresh essays sheds new light on Hardy's poems some of which have received little critical attention from a variety of thematic and analytical approaches offering a detailed picture of how his works are currently being read The contributors discuss why Hardy's poetic genius is less and less overshadowed by his career as a novelist and highlight his passionate attention to small details his delight in noticing things and his eye for mysteries **Dickinson and the Romantic Imagination** Joanne Feit Diehl, 2014-07-14 Evaluating Emily Dickinson's poetry within the context of Romanticism Joanne Diehl demonstrates how the poet both manifests and boldly subverts this literary tradition One of the most important reasons for the poet's divergence from it Professor Diehl argues is a powerful sense of herself as a woman which also creates a feeling of estrangement from the company of major male Romantic precursors Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Kyoka, Japan's Comic Verse** Robin D. Gill, 2009-10 Even readers with no particular interest in Japan if such odd souls exist may expect unexpected pleasure from this book if English metaphysical poetry grooves hyperlogical nonsense verse outrageous epigrams the im possibilities and process of translation between exotic tongues the reason of puns and rhyme outlandish metaphor extreme hyperbole and whatnot tickle their fancy Read together with *The Woman Without a Hole* also by Robin D. Gill the hitherto overlooked ulterior side of art poetry in Japan may now be thoroughly explored by monolinguals though bilinguals and students of Japanese will be happy to know all the original Japanese is included This Reader is a selection from *Mad in Translation* a thousand years of kyoka comic Japanese poetry in the classic waka mode a 2000 poem 200 chapter 740 page monster of a book It offers a 300 page double distillation high proof sample of the poetry and prose with improved

translations re considered opinions and additional snake legs explanation some scholars may not need The scattershot of two page chapters and notes have been compounded into a score of cannonball sized thematic chapters with just enough weight to bowl over most specialists yet hopefully not bore the amateur and sink a potentially broad beamed readership More information may be found at the Paraverse Press website or Google Books *100 Poems to Break Your Heart* Edward Hirsch,2021 We are not so much diminished as enlarged by grief by our refusal to vanish or to let others vanish without leaving a verbal record The poet is one who will not be reconciled who is determined to leave a trace in words to transform oceanic depths of feeling into the faithful nuances of art Poetry companions us Poems are written in solitude but they reach out to others which makes poetry a social act It rises out of one solitude to meet another Poems of terrible sadness and loss trouble and challenge us but they also make us feel less alone and more connected Our own desolations become more recognizable to us more articulate something shared We become less isolated in our sorrow and thus are befriended by the words of another There is something ennobling in grief that is compacted expressed and transfigured into poetry Book jacket
