Snyder, 2018-01-02 Fiction has a special role in the way we relate to each other Fiction can take us outside of our own experience and give us a small hint of what it's like to be someone else Speculative fiction including steampunk has always been a metaphorical mirror to our own society allowing us to see ourselves and our behaviors from the outside in ways that we otherwise couldn't It's not magic It's the interworking of dozens of finely machined gears It's the craftswoman adjusting the tension on a spring so it doesn't break It's the stoker making sure the furnace fires stay burning It's the conductor collecting tickets the passengers watching the landscape roll by the excited child standing next to the engineer who gets to pull the cord and hear the train's steam whistle It might not be magic but it's still amazing Especially with a project like *Steampunk Universe* making an anthology of steampunk stories that feature diverse characters who are disabled or atypical Join editor Sarah Hans our cover artist James Ng and contributors Ken Liu Jody Lynn Nye Maurice Broaddus Malon Edwards Emily Cataneo Pip Ballantine and nine others today

evocative *My Heart's in the Lowlands* transports you to an unforgettable corner of Scotland that will lay claim to your heart forever Liz Curtis Higgs is the best selling author of 25 books including her Scottish historical novels *Thorn in My Heart* *Fair Is the Rose* *Whence Came a Prince* and *Grace in Thine Eyes* She is currently writing her fifth historical novel *Here Burns My Candle* *The Smugglers, a Chronicle of the Coast Guard* Francis HIGGINSON (Lieut., R.N.),1843 *The smugglers of Badayez, comic opera. Lyrics* Frederic Ranken,1899 ***The Mystery of the Smugglers' Wreck*** Helen Moss,2012-06-07 A research team arrives in Castle Key to explore the wreck of an old smugglers ship that sank in Pirate Cove When Scott and Emily dive down to the wreck Scott glimpses a long lost artefact said to hold the key to a hoard of smuggled treasure But when the team leader goes back to recover the artefact it has mysteriously vanished Was Scott mistaken or is somebody else after the smugglers loot Follow Scott Jack Emily and Drift on a very mysterious treasure hunt *Smugglers and States* Max Gallien,2024-02-27 Winner 2025 Theodore J Lowi First Book Award International Political Science Association American Political Science Association Smuggling is typically thought of as furtive and hidden taking place under the radar and beyond the reach of the state But in many cases governments tacitly permit illicit cross border commerce or even devise informal arrangements to regulate it Drawing on extensive fieldwork in the borderlands of Tunisia and Morocco Max Gallien explains why states have long tolerated illegal trade across their borders and develops new ways to understand the political economy of smuggling This book examines the rules and agreements that govern smuggling in North Africa tracing the involvement of states in these practices and their consequences for borderland communities Gallien demonstrates that contrary to common assumptions about the effects of informal economies smuggling can promote both state and social stability States not only turn a blind eye to smuggling they rely on it to secure political acquiescence and maintain order because it provides income for otherwise neglected border communities More recently however the securitization of borders wars political change and the pandemic have put these arrangements under pressure Gallien explores the renegotiation of the role of smuggling showing how stability turns into vulnerability and why some groups have been able to thrive while others have been pushed further to the margins With both rich empirical detail and novel theoretical contributions *Smugglers and States* offers important insights into security and stability in North Africa and the prospects for economic inclusion in a context where many livelihoods exist outside of the law **Agincourt. 1844. by Prime Minister Indira Gandhi in India 1975 1977 the study establishes emergency and its genres as an important interpretative site an exceptionally violent episode marked as a one off crisis which also functions as a locus for an ongoing renegotiation of a modern polity and culture Reading a wide ranging archive of English language texts from prison memoir to popular magazine from high brow literary fiction to boilerplate thriller from the unrelentingly realistic to the mythically allegorical Genres of Emergency traces the tension between crisis and continuity that these genres mediate In addressing this tension the authors of Emergency fiction take seriously the genres in which they write and use them to mobilize literary conventions as political interventions More specifically these novels use the conventions of realism epic allegory and the thriller to reach back in time and across cultures and languages invoking past iterations of these genres and histories and anticipating those to come Combining literary criticism with cultural history Genres of Emergency thus has implications for the study of literary genre for the historical events that these genres recount and for understanding the politics of literary form
