St. Gregory of Nyssa, the Lord's Prayer, the Beatitudes ,1954 The two series of homilies presented here are intensely practical full of examples from the moral social medical and scientific life of Gregory s time They paint a picture of a man thoroughly conversant with human nature in general and in the needs of his contemporaries **The Body and Desire** Raphael A. Cadenhead,2018-11-27 Although the reception of the Eastern Father Gregory of Nyssa has varied over the centuries the past few decades have witnessed a profound awakening of interest in his thought The Body and Desire sets out to retrieve the full range of Gregory s thinking on the challenges of the ascetic life by examining within the context of his theological commitments his evolving attitudes on what we now call gender sex and sexuality Exploring Gregory s understanding of the importance of bodily and spiritual maturation for the practices of contemplation and virtue Raphael A Cadenhead recovers the vital relevance of this vision of transformation for contemporary ethical discourse *On Prayer and Contemplation* Matthew Levering,2005-03-03 This is a rich informative and inspiring compendium of the Christian tradition of prayer and contemplation from the earliest days of the Church to the present day Included are selections from St Ignatius of Antioch Justin Martyr St Clement of Rome St Gregory of Nyssa John Cassian St Augustine St Gregory of Sinai St Thomas Aquinas St Bonaventure St Ignatius Loyola St Teresa of Avila St John of the Cross St Catherine of Siena St Julian of Norwich Brother Lawrence St Francis de Sales St Vincent de Paul Lancelot Andrewes St Elizabeth of the Trinity St Edith Stein Dietrich Bonhoeffer Hans Urs von Balthasar and Pope John Paul II Levering has selected readings that capture how Christian saints and spiritual leaders through the ages have understood what prayer is why we pray and how we pray The selections also integrate the Eastern Orthodox and Western understandings of prayer and contemplation The book is perfect for study meditation and inspiration *The Beatitudes* Christopher J. Mertens,1901 Mankind is created in the image and likeness of God for the purpose of sharing in the Divine Life and participating in the blessedness of the infinite glory and goodness of the Holy Trinity This Beatific Vision is not seeing God in His essence but rather seeing God by possessing Him within oneself Communion with God is attained through the cooperation of the divine and human will whereby the follower of Jesus Christ puts on Christ through the sacraments of the Church and imitates the life of Christ through the sanctifying work of the Holy Spirit to the glory of God the Father Amen Jesus describes in the opening words of His Sermon on the Mount all that produces beatitude The very intent of the Beatitudes is to issue the Father s divine call for man to enter in the blessedness of the Divine Life Therefore the Beatitudes illuminate the pathway to theosis deification or divinization which is a journey of eternal progress in the virtuous life by which a perpetual transformation is made into the likeness of God from glory to glory

The Scriptures and the patristic writings of the Church Fathers provide the theological foundation of this book the objective of which is to provide a guide for the soul to consciously advance in the spiritual life toward the divine goal of theosis in a step by step concrete way Dr Christopher J Mertens is a deacon in the Antiochian Orthodox Christian Archdiocese of North America He serves at the parish of Saint Basil the Great in Hampton Virginia He received a master s degree in Applied Orthodox Theology from the Antiochian House of Studies in partnership with the Saint John of Damascus School of Theology of the University of Balamand in the Republic of Lebanon under the aegis of the Greek Orthodox Patriarchate of Antioch He is a Knight of the Order of St Ignatius of Antioch He holds a PhD in Physics from the Georgia Institute of Technology and is a Senior Research Physicist at NASA Langley Research Center in Hampton Virginia His areas of research are space weather and geospace environment modeling galactic and solar cosmic rays space and atmospheric ionizing radiation and dosimetry He has published over 100 peer reviewed journal articles on his scientific research He is a recipient of the NASA Exceptional Scientific Achievement Metal and numerous other professional awards Father Deacon Christopher and his wife Rhonda reside in Toano Virginia They have two adult daughters and two grandchildren Publishers Maxim Hodak Max Mendor

Origen and the Holy Spirit Justin J. Lee, 2023-01-23 This book is an in depth examination of the pneumatology of Origen of Alexandria Justin J Lee argues that Origen conceives of the Holy Spirit as a divine person but inferior in nature in both person and work This can be discerned from his understanding of the Son and Father as well as the influence of Middle Platonism on his theological and cosmological framework Ontologically Origen s understanding of Trinity is a hierarchy of divine persons in which the greater

ministers to the existence of the lower Origen's pneumatology can be best understood by examining how he speaks about the work of the Holy Spirit. The Spirit participates in the divine work of salvation reflecting an economic Trinity of shared work and will. The Spirit's primary role is to indwell and assist the saints. There are two major actions of the Holy Spirit's work: 1 the downward action of God where the Spirit is the distributor of the divine gifts and graces and 2 the Spirit's upward work of revelation and sanctification by which he leads the saints to the Son and Father. The Spirit thus serves as the practical and personal initiator of believers into the greater processes of salvation and deification.
