The Antiquities of Stamford and St. Martin's Francis Peck,William Harrod,1785 **Ride the High Country** Robert Nott,2024-03-01 Director Sam Peckinpah was just starting out when MGM released *Ride the High Country* in 1962 He was a new kind of director young brash and in a hurry to help the Western grow up by treating it with adult themes *Ride the High Country* was something new and different a changing Western to match a changing West Stars Randolph Scott and Joel McCrea were old hands at this sort of thing *Ride the High Country* gave the two veteran actors one last job to do and a chance to go out with some dignity *Ride the High Country* helped the genre mature and adapt to turbulent changing times It launched Peckinpah's career by invoking the themes of honor loyalty and compromised ideals the destruction of the West and its heroes and the difficulty of doing right in an unjust world themes developed to their pinnacle in Peckinpah's later masterpiece *The Wild Bunch* **Adventure** ,1925 *St Barts Travel Adventures* K. C. Nash,2009 Whenever you hear about St Barts itOCOs usually in connection with which celebrities are partying there ItOCOs definitely known as the island of the

stars Why is that Well it may be because of the island's pristine beauty And while it's small only eight square miles there are a lot of hills inlets coves beaches and tropical landscape packed into that space Driving around the island wherever you go the villages are neat houses are well tended roads are good although narrow and winding and even the cemeteries are beautiful Then there are the hotels and villas The hotels have been carefully planned to be small and precious with an emphasis on exquisite service and a guarantee of privacy The luxurious private villas outnumber the available hotel rooms and overlook the sparkling turquoise sea The villas are self contained residences with wait staff pools Jacuzzis and home theaters OCo ideal for hiding from crowds of admirers and paparazzi But wait there are also the restaurants The French heritage shines through loud and clear and the fusion of French and Creole cuisines is offered in gorgeous settings Even the plentiful beach restaurants turn the typical barbecue and burger fare into gourmet experiences But the choices also include American favorites After all this is St Barts and the watchword is You want it You got it With its long history as a duty free port you know there are some bargains to be had The shops in Gustavia and St Jean offer couture clothing accessories jewelry and more It's OCOs Parisian shopping in paradise And no doubt a big part of the allure comes from what the island doesn't have OCo flashy casinos high rise hotels and crowded beaches The real draw of St Barts whether you are rich or poor is the chance to enjoy the ambiance and character of France in a tropical setting The island is part of Guadeloupe a department of France the official language is French the electrical current is 220 and the official form of money is the euro There is a distinctly European feel to the entire island that combines with island nuances for a unique cross cultural experience Here is a unique guide to the island excerpted from our complete guide to all of the Leeward Islands complete with maps and photographs Where to stay where to dine what to do everything is covered in detail
