St Paul Versus St Peter A Tale Of Two Missions:

St. Paul Versus St. Peter M. D. Goulder, 1995-01-01 Most Christians believe that there was essentially only one early church which was later imperiled by false teachings The New Testament was the developing statement of this early church and from it grew the whole structure of Christian belief In this remarkable book Michael Goulder sets out to disprove this commonly held theory

Peter and Paul in Acts: A Comparison of Their Ministries David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man s apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke Spell also devotes a chapter each to Luke s literary method and the relationship of Peter and Paul as seen in their letters These two chapters lay important groundwork for examining the apostles This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry By looking at how Peter and Paul conducted their ministries in the first century we can be more effective in the twenty first

Paul and his Opponents Stanley E. Porter, 2005-11-01 Who were Paul s opponents Were they one or were they many depending upon the church concerned These questions continue to be of interest to Pauline and other New Testament scholars and are addressed in this volume of collected essays Some of the essays are on specific books such as Galatians the Corinthian letters and Romans while others treat broader issues in Paul s world

Renaissance Drama on the Edge Lisa Hopkins, 2016-03-23 Recurring to the governing idea of her 2005 study *Shakespeare on the Edge* Lisa Hopkins expands the parameters of her investigation beyond England to include the Continent and beyond Shakespeare to include a number of dramatists ranging from Christopher Marlowe to John Ford Hopkins also expands her notion of liminality to explore not only geographical borders but also the intersection of the material and the spiritual more generally tracing the contours of the edge which each inhabits Making a journey of its own by starting from the most literally liminal of physical structures walls and ending with the wholly invisible and intangible the idea of the divine this book plots the many and various ways in which for the Renaissance imagination metaphysical overtones accrued to the physically liminal

Peter Robert H. Gundry, 2018-11-09 A STUNNING PROVOCATIVE PERSPECTIVE ON THE DISCIPLE PETER AS DEPICTED BY MATTHEW In this highly controversial work on Peter Robert Gundry s intellectual gifts and remarkable powers of analysis are displayed to an even higher degree than in his previous publications One need not agree with Gundry s conclusions to acknowledge that the penetrating exegesis presented here and the nature of the argumentation as a whole demand serious reflection and

engagement Those who pay close attention to this brief but unusually weighty book will not be able to read Matthew in quite the same way that they did before MOISES SILVA author of *Biblical Words and Their Meaning* Peter long thought to be prince of the apostles and one of the heroes of the Gospel of Matthew is shown here to be neither This extraordinarily closely argued volume by Robert Gundry offers a compelling case that Matthew constructs the figure of Peter as a failed disciple and an apostate A courageous book that will require scholars to reassess how the Peter of Matthew came to be in Gundry's words airbrushed and turned into a model of disciple and central figure in ecclesiastical memory JOHN S KLOPPENBORG University of Toronto If Bob Gundry is known for anything it is for his dogged pursuit of the meaning of Scripture Here he once again provides fresh penetrating analysis in the present case leading to an unsettling conclusion Provocative as he can often be Gundry is never boring but always instructive and well worth a careful reading DONALD A HAGNER Fuller Theological Seminary ROBERT H GUNDRY is scholar in residence and professor emeritus of New Testament and Greek at Westmont College Santa Barbara California His other books include *A Survey of the New Testament* now in its fifth edition *Mark A Commentary* on His *Apology for the Cross* and *Matthew A Commentary* on His *Handbook for a Mixed Church under Persecution*

Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth Pedro C. Arceno Jr, 2019-07-22 Volume 1 of the book will discuss the true gospel of Jesus as which is about the imminent coming of the Son of Man and the establishment of the universal kingdom of God on earth We will emphasize the fact that the entire ministry of Jesus as is all about the good news of the imminent fulfillment of the Son of Man prophecy and the Kingdom of God prophecy of Prophet Daniel as written in the Bible Based on the correct context and interpretation the Son of Man mentioned by Jesus as refers to Prophet Muhammad saw and the kingdom of God refers to Islam Volume 2 will discuss about the fulfillment of the Seventy Weeks prophecy of Prophet Daniel as This prophecy is actually a countdown to know the year Jesus as and Muhammad saw will come on earth Jesus as is expected to arrive in the sixty ninth week of the countdown and Prophet Muhammad saw will arrive in the seventieth week of the countdown Its exact fulfillment in history such as the year of their birth the starting year of their ministry and the year their messianic mission will be accomplished is a miracle or sign from God Almighty Qur an 20 133 and a clear evidence Qur an 61 6 attesting the veracity of the prophethood of both Jesus as and Muhammad saw This will explain to us why there were Jews in Judea who knew what time or year Jesus as will arrive on earth and why there were Jews in Yathrib Arabia who knew what time or year Muhammad saw will emerge as Messenger of God

Rhetorical Mimesis and the Mitigation of Early Christian Conflicts Brad McAdon, 2018-01-16 This interdisciplinary study focuses upon two conflicts within early Christianity and demonstrates how these conflicts were radically transformed by the Greco Roman rhetorical and compositional practice of mimesis the primary means by which Greco Roman students were taught to read write speak and analyze literary works The first conflict is the controversy surrounding Jesus's relationship with his family his mother and brothers and the closely related issue

concerning his alleged illegitimate birth that is arguably evident in the gospel of Mark and then the author of Matthew's and the author of Luke's recasting of this controversy via mimetic rhetorical and compositional strategies I demonstrate that the author of our canonical Luke knew vehemently disagreed with used and mimetically transformed Matthew's infancy narrative Matt 1:2 in crafting his own The second controversy is the author of Acts' imitative transformation of the Petrine/Pauline controversy that in Acts 7:58-15:30 the author knew disagreed with used and mimetically transformed Gal 1:2 via compositional strategies similar to how he transformed Matthew's birth narrative and recast the intense controversy between the two pillars of earliest Christianity Peter and Paul into a unity and harmony that historically never existed

Servants of Satan, False Brothers, and Other Opponents of Paul Jerry L. Sumney, 1999-12-01 This book sets out a method for identifying the opponents in view in Paul's letters and then applies it to the relevant writings of the Pauline corpus The method limits the use of parallels or prior constructions as a basis for identification dealing with each letter on an individual basis and taking full account of the historical and social context Sumney concludes that the Pauline letters address different kinds of opposition in different places including two distinct anti-Paul movements Here is a fundamental study for research into a basic problem of the Pauline correspondence

Opponents and Identity in Philippians Nina Nikki, 2018-10-02 Guided by awareness of the problematic relationship between polemical text and history *Opponents and Identity in Philippians* seeks to establish a historical context for the letter to the Philippians The study re-evaluates the relationship between Paul and the Jerusalem-based Christ-believing community from the time of the Jerusalem meeting and the Antioch incident A more detailed analysis centers on how this relationship is reflected in Philippians The book argues that Paul was continuously on problematic terms with the Jerusalem community which means that they are the Jewish Christ-believing opponents referred to at several places in Philippians as well With the help of the social identity approach SIA the book illustrates how Paul engages in identity formation through polemical rhetoric in his last letter
