Saint Thérèse the Little Flower John Beevers, 2009 The story of this life is a marvel a miracle of divine grace For the life of St Therese is the lesson to all men of spiritual greatness to be achieved by all our perfect love of God and total consecration of all our actions and His greater honor and glory

The Making of a Saint Kenneth Bragan, 2011 How could a man who had an emotionally deprived and traumatic childhood find the strength later in life to enter a monastery and become a spiritual master The Making of a Saint is the true story of the American priest and Catholic writer Thomas Merton who lived from 1915 to 1968 He wrote more than 70 books on spirituality pacifism and social justice and his words influenced a generation of men to enter monasteries By late adolescence Merton felt completely alienated and was in a state of spiritual abjection yet he found the path to become a spiritual master A Psychological Study of the Life of Thomas Merton gives a psychoanalytic explanation for the early gain in strength he found but more than psychology is required to understand Merton's subsequent spiritual growth His journals display the healing power of Christ as well as the healing power of writing Author Kenneth Bragan asserts that it was an arduous process for Merton but I suggest it was only finally completed when he became engaged in a passionate love affair Only then could his heart be opened to the lost mother of his childhood and only after that happened could he go out into the world and complete his mission Merton was monk a mystic and a poet but above all else he was a great writer and a great man About the Author Kenneth Bragan grew up in a small coal mining town near Newcastle in the north of England and now resides in the Lakes District of the south island of New Zealand He worked as a psychiatrist and developed a particular interest in the healing power of writing Publisher's website <http://SBPRA.com/KennethBragan>

On Mortification I resolved to lead a life of greater devoutness and mortification than ever before When I speak of mortification I don t mean the kind of penance practiced by the saints There are great souls who practice every sort of mortification from childhood but I am not like them All I did was to break my self will check a hasty reply and do little kindnesses without making a fuss about them and lots of similar things So I prepared myself to become a bride of Jesus Give with No Thought of Results On working with the Carmelite novices I throw to the right and the left to my little birds the good seed that the good God puts in my little hand And then the seed does what it will I don t concern myself about it Sometimes the results are as if I had thrown nothing other times something good results But the good God says to me Give give always without concerning yourself with results Keeping the Fire of Love Burning When I am feeling nothing when I am incapable of praying or practicing virtue then is the moment for seeking opportunities nothings which please Jesus more than mastery of the world when suffered with generosity For example a smile a friendly word when I would want to say nothing or put on a look of annoyance etc Infinite Love Oh How beautiful is our religion instead of contracting hearts as the world believes it raises them up and renders them capable of loving or loving with a love almost infinite since this love must continue after this mortal life which is given to us only for meriting the homeland of heaven where we shall find again the dear ones whom we have loved on earth Wanting Only to Die of Love How gentle and merciful God is I no longer want anything except to love until I die of love I am free and fear nothing I am not even afraid and it used to be my greatest fear that my illness will drag
