**St. Thomas Aquinas on the Eucharist** William Beattie Monahan, 1940      **A Gift of Presence** Jan Heiner Tück, 2018-06 Jan Heiner Tück presents a work that explores the sacramental theology lived spirituality and Eucharistic poetry of the Church's doctor communis St Thomas Aquinas Although Aquinas Eucharistic poetry has long occupied an important place in the Church's liturgical prayer and her repertoire of sacred music the depth of these poems remains hidden until one grasps the rich sacramental theology underlying it Consequently Tück first offers a detailed but approachable primer of Aquinas theology of the sacraments before diving deeply into the Angelic Doctor's theology and poetry of the Eucharist The Scriptural accounts stand at the heart of the systematic framework developed by Aquinas and thus significant attention is devoted to showing the harmony between the accounts of Christ's passion and the detailed exposition of the Summa theologiae Moreover the Eucharistic controversies of the ninth and eleventh centuries provide the contrapuntal context in which Aquinas did his thinking praying and writing Not surprisingly therefore the response he crafts to these controversies draws upon both speculative powers and contemplative prayer brought together in the unity of Aquinas theology and spirituality The net result is a twofold treasure for the Church a careful systematic presentation of Eucharistic theology and the lived devotional expression of the same in the carefully constructed and now much beloved stanzas of Pange lingua gloriosi Lauda Sion Adoro te devote etc By revealing the lively interplay of the saint's powerful speculative intellect and a heart steeped in love for the Eucharistic Lord Tück offers a sophisticated exposition of Aquinas Eucharistic poetry and the roots it sinks into a wider theological framework Finally the contemporary significance and power of Aquinas work is drawn out not only in the rarefied realm of intellectual inquiry but also in the everyday expanse of ordinary life      *Saint Thomas Aquinas - the Effects of the Eucharist* Mons. Peter Boer, 2021-06-11 In this book the Effects of the Most Holy Eucharist are presented by the Angelic Doctor and Doctor of the Doctors of the Church St Thomas Aquinas In the sacrament of the Eucharist by virtue of the words of institution the symbolic species become the body and blood its accidents subsist in the subject and in it by consecration without violation of the laws of nature the one and whole Christ himself exists in various places just as a voice is auscultated and exists in various places persisting unchanged and remaining unchanged when divided without suffering any diminution Christ is indeed complete and perfect in every fragment of the host just as well visible appearances are multiplied in hundreds of mirrors Summa Theologiae IIIa Pars Qs 79 80 An indispensable service for the faithful who wish to deepen their understanding of the Holy Eucharist and know its beneficial effect on those who participate in the communion of faith and piety at Holy Mass      **St. Thomas Aquinas on the Eucharist. [From the Summa Theologica].** William Beattie Monahan, 1948      **Thomas Aquinas & the Liturgy** David Berger, 2005 Over the past century the liturgy has been a flashpoint of theological interest Few scholars however have examined what St Thomas Aquinas has to say about the Liturgy In this concise volume David Berger ably takes on this task A member of the Pontifical

Academy of St Thomas Berger approaches his theme from a perspective in accord with Cardinal Ratzingers recent call for a reform of the reform Drawing together St Thomas s life and theology Berger illumines the role in St Thomas s theology of his youthful training at the Benedictine monastery of Monte Cassino and his devotion to the Eucharist Rightly renowned for his articulation of the real presence of Christ in the Eucharist by transubstantiation St Thomas deserves also to be regarded as a master of liturgics Berger demonstrates that liturgy belongs to the heart of St Thomas s speculative theological syntheses For St Thomas *lex orandi* truly is *lex credendi* As Berger shows St Thomas provides a supremely incamational view of the Christian liturgy in which man As a body soul unity is drawn with the angels into Christ s redemptive sacrifice

**The Eucharist and Salvation in the Thought of Saint Thomas Aquinas** Jeremy Sienkiewicz, 2011 The dissertation analyzes St Thomas Aquinas understanding of the reception of the Eucharist as necessary for salvation by elucidating his understanding of the reception of the sacrament in *voto* This analysis will serve as the basis for elaborating principles that may shed light on topics being discussed in the current ecumenical treatment of the Eucharist To meet this purpose it undertakes the following tasks First it presents in a chronological manner the texts in which Aquinas directly answers questions pertaining to the necessity of the Eucharist for salvation Second it considers Aquinas definition and explanation of *votum* in the human person particularly in the context of the sacraments Third it explores Aquinas understanding of *votum sacramenti* particularly in relation to Baptism and by analogy establishes the meaning of what Thomas calls a *votum seu desiderium* for receiving the Eucharist Fourth it analyzes the relationship between the sacraments of Baptism and the Eucharist in Aquinas writings particularly the ordination of Baptism to the Eucharist and the way in which Baptism itself may supply a *votum Eucharistiae* Fifth it critiques in light of the above the existing literature on Eucharist and salvation in St Thomas theology Sixth it elucidates general theological principles from Aquinas that address ecumenical standpoints that speak to the salvation of Christians in separated churches with different practices and realities of the Eucharist Ultimately for Aquinas one s salvation rests on being incorporated into the Mystical Body of Christ which is the Church The unity of the Body of Christ he says is the very *res sacramenti* of the Sacrament of the Eucharist Thus in order to be a part of this unity one must be in real contact with the Body of Christ which is the instrument of our salvation Indeed one must eat this Body whether sacramentally or spiritually Given the complexity of current ecumenism the issues regarding the relationship of Eucharist and salvation today cannot be considered to be the same as in the thirteenth century On the other hand the specific link made by Aquinas between Baptism and Eucharist may suggest some general principles that could illuminate an ecumenical path Thus an elucidation of certain principles drawn from Thomas Eucharistic theology could promote a better understanding of Eucharist and salvation throughout distinct parts of the Christian world today

**Saint Thomas Aquinas: The person and his work** Jean-Pierre Torrell, 2005 Highly acclaimed as the most reliable thorough and accessible introduction to Thomas Aquinas this first volume in Jean Pierre Torrell s set of books on the great Dominican theologian has

**Through the Analysis of St. Augustine and St. Thomas Aquinas, the Eucharist is Revealed as the Sacrament of Unity** Sabelo T. Luthuli,2020 *Thomas Aquinas and the Eucharist* Michael Dauphinais,Andrew Hofer,Roger W. Nutt,2025-04-18 St Thomas Aquinas s theology has served as a touchstone for the Church s magisterial teaching on the Eucharist over the centuries and the Church gives him an unparalleled position in eucharistic theology and worship His work appears in the Church s Liturgy of the Hours and Mass Sequence on the Solemnity of the Most Holy Body and Blood of Christ and we sing his eucharistic hymns at many other times of celebration and adoration In St Thomas we find the finest expressions of truth beauty and love to move our hearts for Christ s presence in the Eucharist The Aquinas Center for Theological Renewal at Ave Maria University and the Thomistic Institute of the Dominican House of Studies co sponsored an international conference on Thomas Aquinas and the Eucharist Pathways to Revival in 2024 during the US Eucharistic Revival and the 750th anniversary year of St Thomas Aquinas s passing from this earth This conference volume offers original contributions on Thomas Aquinas and the Eucharist with focus on Sacred Scripture sacramental signification Transubstantiation sacrifice and much more
