Stagecoach Station, Cimarron Hank Mitchum,1984-01-01 When Cimarron Meant Wild David L. Caffey,2023-04-27

The Spanish word cimarron meaning wild or untamed refers to a region in the southern Rocky Mountains where control of timber gold coal and grazing lands long bred violent struggle After the U S occupation following the 1846 1848 war with Mexico this tract of nearly two million acres came to be known as the Maxwell Land Grant When Cimarron Meant Wild presents a new history of the collision that occurred over the region s resources between 1870 and 1900 Author David L Caffey describes the epic late nineteenth century range war in an account deeply informed by his historical perspective on social political and cultural issues that beset the American West to this day Cimarron country churned with the tensions of the Old West land disputes lawlessness violence and class war among miners a foreign corporation local elites Texas cattlemen and the haughty Santa Fe Ring of lawyerly speculators And present still were the indigenous Jicarilla Apache and Mouache Ute people dispossessed of their homeland by successive Spanish Mexican and American regimes A Mexican grant of uncertain size and bounds awarded to Carlos Beaubien and Guadalupe Miranda in 1841 and later acquired by Lucien Maxwell marked the beginning of a fight for control of the land and set off overlapping conflicts known as the Colfax County War the Maxwell Land Grant War and the Stonewall War Caffey draws on new research to paint a complex picture of these events and of those that followed the sale of the claim to investors in 1870 These clashes played out over the following thirty years involving the new English owners miners and prospectors livestock grazers and farmers and Native Americans Just how wild was the Cimarron country in the late 1800s And what were the consequences for the region and for those caught up in the conflict The answers pursued through this remarkable work enhance our understanding of cultural and economic struggle in the American West

Cimarron Rose Nicole Foster,2014-04-15 Desperate to help her mother regain her health she had taken on the older woman s identity as the alluring singer The St Louis Songbird She never dreamed as she entertained the crowds that she possessed her own special magic and an innocent allure strong enough to catch the eye of the enigmatic Case Durham But was Case a man she could trust with her most guarded secret Case was surprised by his reaction to the beautiful stranger s voice And by the fact that her image haunted his waking hours He couldn t afford an interest in a woman

Cimarron Breaks a wild western action adventure C Lowry, 2025-04-18 In the Heart of No Man's Land Can Justice Outdraw Vengeance Ride into the vast unforgiving expanse of the Cimarron Breaks a lawless territory where desperate men carve their own rules and the line between justice and revenge blurs like a heat haze on the horizon Days after rescuing young Billy from the ashes of his murdered family the haunted gunslinger Rip finds himself guiding the orphaned boy on a grim southward trail Billy burns with a righteous fury consumed by the need to avenge his parents against the ruthless raiders who destroyed his world Rip a man weary of violence yet bound by a reluctant sense of duty knows the destructive power of such hate He must not only track the killers but also steer the boy away from the abyss of vengeance that threatens to swallow him whole Their journey takes them deep into the rugged canyons and sun baked mesas of No Man's Land a haven for outlaws and desperate souls Following faint signs and whispers on the wind Rip teaches Billy the harsh necessities of survival on the trail the weight of responsibility that comes with handling a gun and the hard difference between stopping a threat and killing out of rage But the lawless territory offers its own dangerous temptations Billy overhears talk glorifying swift brutal action sees the swagger of men who take what they want and feels the pull of immediate retribution clashing with Rip's cautious methodical pursuit of accountability From tense encounters with shadowy figures from Rip's own past to deadly ambushes sprung by cunning enemies the fragile bond between man and boy is tested at every turn As they close in on their quarry near the infamous Red Creek Crossing Billy must confront the true cost of vengeance and make a choice that will define the man he is becoming Can Rip guide him towards a harder truer form of frontier justice or will the fire inside the boy consume them both

The Powell Expedition Don Lago, 2017-11-15 John Wesley Powell's 1869 expedition down the Green and Colorado Rivers and through the Grand Canyon continues to be one of the most celebrated adventures in American history ranking with the Lewis and Clark expedition and the Apollo landings on the moon For nearly twenty years Lago has researched the Powell expedition from new angles traveled to thirteen states and looked into archives and other sources no one else has searched He has come up with many important new documents that change and expand our basic understanding of the expedition by looking into Powell's crewmembers some of whom have been almost entirely ignored by Powell historians Historians tended to assume that Powell was the whole story and that his crewmembers were irrelevant More seriously because several crew members made critical comments about Powell and his leadership historians who

admired Powell were eager to ignore and discredit them Lago offers a feast of new and important material about the river trip and it will significantly rewrite the story of Powell's famous expedition This book is not only a major work on the Powell expedition but on the history of American exploration of the West *Ralph Compton Death Along the Cimarron* Ralph Cotton, Ralph Compton, 2003-01-07 A gunslinging woman can't escape her past in this Ralph Compton western Disguised as Danny Duggin Danielle Strange hunted down the merciless cutthroats who murdered her father Now the feared gunslick has hung up her trademark twin Colts and given up her secret identity to make something out of her Texas ranch But then a passel of hard cases rides into town and all hell breaks loose And when the vicious gunmen kill one of Danielle's old saddle pals she knows it's time for Danny Duggin to ride the vengeance trail again More Than Six Million Ralph Compton Books In Print **Cimarron** Hank Mitchum, 1984-09-01 Clint Dennison takes money from a bank in order to save his father's farm but on the way to Cimarron Clint arrives at the scene of a stagecoach robbery just in time to save one of the passengers Taos Hank Mitchum, 1987-10 The action and adventure of Stagecoach continues in Taos as a beautiful undercover agent must race against time to unravel a plot to assassinate the Governor of New Mexico territory
