Stagecoach Driver:

Bunky Dennis Perry,2012-08 Bunky is a collection of nostalgic stories from my Idaho childhood Born in 1943 on the tail end of the Silent Generation I just missed being a Baby Boomer These stories of my childhood contain the common elements of growing up along with a serious accident and a death **The Search for the Sheriff's Star** Adam Maxwell,2015-03-05 Three friends A mysterious room A missing treasure Nina Ivy and Oswald cannot resist the pull of the next adventure that they know awaits them in the hidden room in The Lost Bookshop Stepping through the door once more they are surprised to find themselves in the Wild West in a town that is facing certain destruction Knowing they must help and with the aid of a little native American girl named Wachiwi the group set off in search of a fabled treasure the only thing that can save the town before it s too late In a race against the clock the trio embark on their next adventure not knowing if they will ever find their way home The Search for the Sheriffs Star is the second book in the Lost Bookshop series of stand alone stories that feature a young curious and adventure seeking cast Whether this is their first visit or their second you children will love their time in the Lost Bookshop Pick up The Search for the Sheriffs Star today and feed their imagination *Antonia Chavez Arvizu* Linda Castro Martinez,2025-04-30 Inspired by real historical events this dramatization tells the true story of Antonia Chavez Arvizu a gold miner s wife who lived in the late nineteenth and early twentieth centuries Antonia Chavez Arvizu s narrative is historically salient because she was the paternal aunt of Cesar Chavez the United Farmworkers founder and American civil rights leader She was also the author s great grandmother This is the first written historical account of the Chavez family s challenges struggles and existential survival after they immigrated to the United States in the late 1880s In 1919 the Chavez family became an American pioneer family when they homesteaded 118 acres in the North Gila Valley Yuma Arizona This book also serves as a testimonial to the thousands of American and Mexican American wives of miners who have gotten little recognition for their grit endurance and dedication to preserving family life in a hostile environment Antonia recounts how the Chavez family men initially found employment in the late 1890s working in the farm fields railroads and copper mines of Ajo and Gila Bend Territory of Arizona During that time Antonia Chavez became the wife of Francisco S Arvizu In their trajectory toward freedom and independence Antonia describes how the Chavez Arvizu family eventually settled in the gold mining pueblo of Picacho California There the Chavez Arvizu men found employment in the treacherous gold mines of the Picacho Basin Antonia Chavez Arvizu details the hardships encountered in living in the mining town of Picacho the challenges of raising children in such a desolate area and the daily angst of waiting for her husband and her brothers to return from the mines alive and unbroken The mining town s societal cultural and personal events which shaped Antonia Chavez Arvizu s Mexican American story are told by her in a passionate descriptive and celebratory manner **Sent By Your Father, with Love!** Weldon L. Haywood,2022-12-05 Vernon Fuller had not been to Jasper Missouri for more than twenty years He had been driven away from the area under the gunpoint of three men and given a warning never to return

He was now the owner of a small ranch about five days ride from Jasper He had an assistant foreman named Leon Elliott that he trusted 100 percent Before the warning Vernon had been working as a cowhand on one of the large ranches in the area the Circle M The ranch was owned by a man named Samuel McKnight Samuel McKnight had driven Vernon away from the area after learning that he had been having a secret intimate relationship with his daughter Margie There was another large ranch in the area the Circle C owned by a man named James Caldwell James Caldwell had a son named Christopher James Caldwell and Samuel McKnight were best friends They had made an agreement whereby their son and daughter would marry when Margie became twenty years of age Now twenty years later Vernon Fuller has received a letter from Margie asking him for help While reading the letter Vernon learned that Samuel McKnight and Christopher Caldwell were dead and no one knew James Caldwell s whereabouts Most importantly Vernon learned that he has a daughter named Laura Leon agreed to go to Jasper on Vernon s behalf and provide any assistance he could to Margie and Laura Neither of the women was to be told upfront Vernon Fuller had sent him Margie had requested in her letter that Laura not be told Vernon was her father Read about the adventures Leon encounters as he works to solve the puzzle of how Christopher died and the unknown whereabouts of James Caldwell Enjoy reading of how those adventures led to a totally unimaginable romance and rekindled another
