The Outlaw Badge Michael J. Bryant,2003-02 The Outlaw Badge portrays a very wild era in American history Because of the Civil War the US Army was unable to supply enough troops to safely control the new territories opening up for settlement in the West Buffalo Soldiers were sent out to try to prevent the many Indian raids on farms and towns These soldiers were also there to man the many forts and territorial prisons enforcing the law on what was often a lawless land I've put a lot of research into this book in order to make the setting as realistic as possible When compared with actual events of the times the Outlaw Badge doesn't seem very fictional The year is 1865 and when the Civil War comes to an end Indian conflicts will explode across the West Michael J Bryant author The Outlaw Badge **Let Them Wait** Nick Wright,2014-02-26 I am a man with sorrows behind me and battles too I have regrets of which I seldom speak nor too often think For me danger became a way of life an accepted facet in the natural order of things There is no bravado in wearing a gun it was at the time a necessity of life A man could no more survive without a weapon than he could live without a horse or food I was fourteen years old when they attacked me under cover of darkness and while I was in my own home The only weapon I owned was a big double barreled eight gauge shotgun that we used for small game and varmints so the night they came I killed my first two men with a borrowed pistol That started my crusade My search for justice or maybe it was only for justification led to more men joining the first two Soon after I began to acquire an unwanted and I felt undeserved reputation as a gunman I did not want to shoot people except one I truly wanted to shoot him But the others kept coming for me and I had wrongs to right In the end I hunted them **Colorado** Thomas J.
