Thoroughbred Stallion Records of ..., 1987 *The Kingmaker* Avalyn Hunter, 2024-04-02 Toronto industrialist and Thoroughbred breeder E P Taylor wanted to prove to the world that his native Canada could produce racehorses as good as any and he backed up his belief by offering his own yearlings for sale So he couldn't have been happy when buyers in 1962 rejected a well bred but small bay colt from his Windfields Farm consignment But Taylor could hardly have envisioned the degree to which this seeming misfortune would boomerang in his favor Ultimately he would have the satisfaction of breeding then racing the horse that would transform the international bloodstock market Named Northern Dancer the sales reject proved his worth by winning the 1964 Kentucky Derby and Preakness Stakes for Taylor In doing so he became a Canadian hero And that was only the beginning As a stallion the diminutive Northern Dancer exerted a legendary influence on the breed at one time commanding a million dollar stud fee International competition for his offspring created world records in the auction ring Respected pedigree authority Avalyn Hunter tells the compelling story of the fiery colt who towered over his peers and the humans who played supporting roles legendary trainer Horatio Luro jockeys Ron Turcotte and Bill Hartack and Taylor himself Hunter also chronicles Northern Dancer's ascendancy as the world's most coveted stallion and the dynasty he established through his sons More than thirty years have passed since Northern Dancer's death and all of his sons are now gone as well even most of his grandsons have passed from the scene Yet the Northern Dancer sire line shows no signs of fading **Exotic Betting At The Racetrack** William T Ziemba, 2018-12-21 Exotic Betting at the Racetrack is unique as it covers the efficient inefficient strategy to price and find profitable racetrack bets along with handicapping that provides actual bets made by the author on essentially all of the major wagers offered at US racetracks The book starts with efficiency accuracy of the win odds arbitrage and optimal betting strategies Examples and actual bets are shown for various wagers including win place and show exacta quinella double trifecta superfecta Pick 3 4 and 6 and rainbow pick 5 and 6 There are discussions of major races including the Breeders Cup Pegasus Dubai World Cup and the US Triple Crown from 2012 2018 Dosage analysis is also described and used An additional feature concerns great horses such as the great mares Rachel Alexandra Zenyatta Goldikova Treve Beholder and Song Bird There is a discussion of horse ownership and a tour through

Blackout Antonia Caroline Lant, 2014-07-14 The most universal civilian privation in World War II Britain, the blackout possessed many symbolic meanings. Among its complicated implications for filmmakers was a stigmatization of film spectacle, including the display of Hollywood women whose extravagant appearance connoted at best unpatriotic wastefulness and at worst collaboration with the enemy. Exploring the wartime breakdown of conventional gender roles on the screen and in the audience, Antonia Lant demonstrates that many British films of the period signaled their national cinematic identity by diverging from the notion of the Hollywood star, the mainstay of commercial American motion pictures, replacing her with a deglamourized, mobilized heroine. Nevertheless, the war machine demanded that British films continue to celebrate stable and reassuring gender roles. Contradictions abounded both within film narratives and between narrative and real life. Analyzing films of all the major wartime studios, the author scrutinizes the efforts of realist and melodramatic texts to confront women's wartime experiences, including conscription. By combining study of contemporary posters, advertisements, propaganda notices, and cartoons with consideration of recent feminist theoretical work on the cinema spectatorship and history, she has produced the first book to examine the relationships among gender, cinema, and nationality as they are affected by the stresses of war.
