Politics, Society and Stalinism in the USSR John Channon, 2015-08-30 Over the past two decades in the West there has been a substantial re appraisal of the Stalinist period Social historians in particular have focused their attention on the social dynamics of Stalinism This collection of essays is based on a conference held at the School of Slavonic East European Studies the University of London on Stalin and Stalinism The contributors have analysed specific areas of the research available on Stalin and Stalinism in the USSR debate Their work should be placed within the context of current scholarship in the field both in the Former Soviet Union and the West This groundbreaking text will be critical in stimulating interest in the subject and providing material for further debate

**Stalinism as a Way of Life** Lewis H. Siegelbaum, A. K. Sokolov, 2004-01-01 Maybe some people are shy about writing but I will write the real truth Is it really possible that people at the newspaper haven't heard this that we don't want to be on the kolkhoz collective farm we work and work and there's nothing to eat Really how can we live a farmer's letter 1936 from Stalinism as a Way of Life What was life like for ordinary Russian citizens in the 1930s How did they feel about socialism and the acts committed in its name This unique book provides English speaking readers with the responses of those who experienced firsthand the events of the middle Stalinist period The book contains 157 documents mostly letters to authorities from Soviet citizens but also reports compiled by the secret police and Communist Party functionaries internal government and party memoranda and correspondence among party officials Selected from recently opened Soviet archives these previously unknown documents illuminate in new ways both the complex social roots of Stalinism and the texture of daily life during a highly traumatic decade of Soviet history Accompanied by introductory and linking commentary the documents are organized around such themes as the impact of terror on the citizenry the childhood experience the countryside after collectivization and the role of cadres that were directed to decide everything In their own words peasants and workers intellectuals and the uneducated adults and children men and women Russians and people from other national groups tell

their stories Their writings reveal how individual lives influenced and were affected by the larger events of Soviet history
