Stand Deliver The Story Of The Highw:

Stand and Deliver! David Brandon,2011-09-30 Why is the highwayman largely perceived as a romantic glamorous and gallant figure How is it that men who were really nothing more than bandits who were often gratuitously violent sometimes murderers and rapists as well have become the swashbuckling heroes of history To put their roles in context the book probes into the economic social and technological factors that at certain times made highway robbery highly lucrative and which help to explain why some of its exponents eventually disappeared from the scene Finally the legacy of the highwayman on pub signs in films and in fiction is discussed Informative stimulating and entertaining from the pen of a true enthusiast this book will appeal to anyone interested in the dramatic murky underworld of history **Stand and Deliver** Patrick Pringle,2016-10-27 The true story of the highwaymen has never been written nor can it be The chroniclers were slavishly faithful to their authorities flatteringly so in fact for these authorities consisted of a lot of chapbooks broadsheets penny dreadfuls and twopenny bloods dying confessions that had come in for a good deal of posthumous editing and the contemporary gutter Press which was even more unreliable then than it is today Many of these authorities were so contradictory that the truth at all costs chroniclers left out some of the best bits of highway lore in their vain attempts to keep faithful to their ridiculous principles Our own ambition is more modest We have not sought the El Dorado of absolute truth We have gone back to the same sources that the chroniclers used and we have taken pains to ignore the latter gentlemen whenever contemporary reports are still extant We have not moralized like the chroniclers nor have we embellished like the novelists We have added nothing but we have taken away a good deal We have tried to use our discretion in selection and our judgment in discrimination between contradictory versions of the same events Since it was impossible to be faithful to the letter we have tried to recapture the spirit of the Age of Highwaymen *Stand And Deliver* Rachel Lawson,2024-08-12 What are you doing my lady asked Sir Justin thinking she looked very pretty sitting amongst the autumn leaves She blushed It is ethereal here today said Mary looking at Sir Justin who looked more handsome than ever It is a glorious day said Sir Justin not lying Are you alright Yes come sit beside me said Mary Why asked Sir Justin The view is best from here said Mary As long as no one s around said Sir Justin With a smile she said No one is here Sir Justin sat beside her What are we looking at asked Sir Justin Everything the wind is singing in the trees blowing leaves through the air as they fall to the ground The birds are singing and the forest floor is covered in crisp leaves thick as snow said Mary Forgetting propriety and everything He lay on his back in the leaves I have never seen anything so beautiful I could forget everything and live here in this moment forever then looking up at the sky He said This looks better *The State-weathercocks: or, A new secret history of the most distinguished favourites both of the late and present reign, intermixt with strange discoveries in the royal palace [&c.].
