Riss, 2024-12-20 The appearance of high profile girl characters in popular culture media of all types soared between the years 1924 when Little Orphan Annie first appeared in the comic section of newspapers to 1945 when teenage girls replaced their younger sisters in the spotlight As such girl culture of the 1920s through the 1940s experienced a boom in popularity Despite the substantial impact that prepubescent and preadolescent girls had on society during this time scholars have largely overlooked the experiences of these girls and their depictions in popular entertainment **American Girls in Popular Media A Cultural History of Preadolescent Girls 1890-1945** by Stella A Riss addresses this gap by weaving together archival materials newspaper articles letters images comic strips radio programs film and media content analysis both to tease out meaning from the varied depictions of young girls in popular culture and to uncover the voices and agency of those long silenced This book explores how these portrayals helped address societal anxieties exacerbated by the depression and war including generational conflicts gender issues racial tensions and urban rural divides This transformation not only mirrored societal changes but also played a role in shaping perceptions of femininity youth and social values leaving an indelible mark on American cultural history that continues to resonate today [College Fight Songs II](#), 2001 College Fight Songs II is a supplement to the first book and provides additional song texts and interesting historical information Together they represent a unique anthology of college fight songs from across the country To view an excerpt online find the book in our QuickSearch catalog at www.HaworthPress.com **Stand Up and Cheer** 20th Century Fox, 1961 Shirley Temple proves that laughter is a powerful cure for despair in this loveable comedy To uplift American spirits during the Depression the President appoints a Secretary of Amusements whose job is to entertain the country so everyone can forget their troubles But a group of businessmen getting rich off the misery of others to try to sabotage his efforts It's up to a tiny singer dance Shirley

Dugan Temple to remind Americans what's important in life Featuring the famous number Baby Take A Bow this charming musical will make you want to STAND UP AND CHEER **Stand-Up Preaching** Jacob D. Myers,2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker's bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience's expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance **Stand Up and Cheer [DVD]**. ,2006 FDR appoints a Secretary of Amusement in order to cheer up the American public Stand Up and Fight Back Ken Abraham,2013 An excellent guide for new believers teens or anyone who is developing spiritually and wants to understand demonic attacks generational curses and strongholds
