American national trade bibliography **One Day @ A Time** Darlene Jones, 2010-04-30 This book is a group of lessons that I previously taught to my Sunday school class While teaching I am also able to hear the Spirit of the Lord and learn from my own teachings I also realize that the more I learn the more it becomes evident that this Word is much bigger than the four walls in which I teach It needs to reach the masses in any way possible I am simply doing my part to make sure that happens I believe the Spirit of the Lord has spoken to my heart to put what I am teaching into a book form for you I would like for those who would not normally have the time to attend a weekly class or small group session to have something to study on their own in a hope that this tidbit of the Word will eventually lead to a greater desire for the fullness of God's Word So many times we confess that we don't know what the plan of God is for our lives I would suggest first that we become more familiar with God's Word and allow ourselves to be usable for Kingdom of God Allow God to move or change your personal will so that His perfect will can be revealed Whether it's through preaching teaching praise and worship ushering at the door or cleaning the floor the will of God for your life is to whole heartedly surrender to Him to be used in whatever capacity He wills It's my prayer that this study guide will be of some assistance to you in your process to get to where God wants you to be *The American Catalog*, 1891 *The American Catalogue ...*, 1941 *The American Catalogue ...
