colloquials Recorded by native speakers the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills *Balkan Syntax and (Universal) Principles of Grammar* Iliyana Krapova, Brian Joseph, 2018-11-19 This book investigates morpho syntactic convergences that characterize the languages of the Balkan Sprachbund Balkan Slavic Greek Romanian Albanian Balkan Romani Apart from new data the volume features contributions within different theoretical frameworks contact linguistics functional linguistics typology areal linguistics and generative grammar **Here - Hither - Hence and Related Categories** Julia Nintemann, Maja Robbers, Nicole Hober, 2020-07-20 As a follow up study to the global comparison of spatial interrogatives *Studia Typologica* 20 the present book examines the spatial declarative counterparts which are provided by the expression class of spatial deictic adverbs In a functionally motivated typological approach equivalents of Early Modern English here hither hence and there thither thence are identified across a sample of 250 languages from all macro areas These are also quantitatively assessed to extrapolate areal and global trends of coding patterns The formal relationships between spatial interrogative and spatial declarative paradigms are analyzed with a focus on the syncretism of categories and of individual cells Qualitative discussions of patterns precede in depth treatments of problematic cases and other relevant issues related to the research topic The quantitative results strongly point to areal linguistic trends concerning the distribution of distinct and non distinct coding of the three spatial relations Place Goal and Source Additional aspects such as quantitative evaluations of constructional complexity are addressed subsequently Resources in Education ,1981-03 *Complementizer Semantics in European Languages* Kasper Boye, Petar Kehayov, 2016-07-11 Complementizers may be defined as conjunctions that have the function of identifying clauses as complements In recent years it has become increasingly clear that they have additional functions Some of these functions are semantic in the sense that they represent conventional contributions to the meanings of the complements The present book puts a focus to these semantic complementizer functions **The Syntax-Morphology Interface** Matthew Baerman, Dunstan Brown, Greville G. Corbett, 2005-09-15 This pioneering book provides a full length study of inflectional syncretism presenting a typology of its occurrence across a wide range of languages Historical Linguistics 2015 Michela Cennamo, Claudia Fabrizio, 2019-09-15 The collection of articles presented in this volume addresses a number of general theoretical methodological and empirical issues in the field of Historical Linguistics in different levels of analysis and on different themes i phonology ii morphology iii morphosyntax iv syntax v diachronic typology vi semantics and pragmatics and vii language contact variation and diffusion The topics discussed often in a comparative perspective feature a variety of languages and language families and cover a wide range of research areas Novel analyses and often new diachronic data also from less known and under investigated languages are provided to the debate on the principles mechanisms paths and models of language change as well as the relationship between synchronic variation and diachrony The volume is of interest to scholars of different persuasions working on all aspects of language change Discovering

Albanian I Textbook Linda Mëniku, Héctor Campos, 2011-08-01 Approximately five million people worldwide speak Albanian. The opening of Albania in the 1990s to broader trading and diplomatic relations with other nations has created a need for better knowledge of the language and culture of this country. This book teaches the student to communicate in everyday situations in the language with each chapter introducing a new situational context. Students learn to discuss work, vacations, health, and entertainment. Students also learn to practice basic skills such as shopping, ordering tickets, and renting an apartment. Upon completing this textbook, students will be at the A2-B1 level of proficiency on the scale provided by the Common European Framework of Reference for Languages (CEFR). The textbook includes eighteen lessons based on real-life situations, including three review lessons, dialogues to help introduce vocabulary and grammatical structures, comprehension questions, and exercises. Related readings at the end of each chapter, full translations for all examples discussed in grammar sections, a series of appendixes with numerous charts summarizing main classes of nouns, adjectives, and verbs, an appendix with the solutions to most of the exercises in the book, a glossary with all the words in the dialogs and readings.
