G. Dutton,2020-03-16 In Plain Words for Christ Being a Series of Readings for Working Men Reginald G Dutton presents a compelling exploration of Christian faith through accessible and straightforward prose Written during the late 19th century a time marked by social upheaval and the rise of the working class Dutton's work seeks to bridge the gap between religion and everyday life His literary style is characterized by clarity and directness employing colloquial language that resonates with

the struggles and realities faced by working men This collection of readings serves as a spiritual guide aiming to instill hope and provide moral guidance amid the tumult of industrialization and urbanization Reginald G Dutton was deeply influenced by the socio economic challenges of his time which shaped his mission to reach those traditionally estranged from formal Christianity His background as a clergyman and keen observer of societal shifts imbued him with a profound understanding of the working man s plight enabling him to articulate relatable spiritual truths that challenge and uplift Dutton s empathetic approach invites readers from all walks of life to engage with faith on a personal level This book is highly recommended for anyone seeking an authentic exploration of Christian teachings that resonate with real world experiences Dutton s work serves as a vital resource for contemporary readers especially those interested in the intersection of faith and social justice making it an essential addition to both theological studies and personal reflection

**Marriage from the Heart** Donald R. Downing, 2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart
