Oriental fairy tales; or, Fancy's wanderings in the East. With ... illustrations by William Harvey, engraved by the Brothers Dalziel ,1857 *When the Sahara Was Green* Martin Williams,2023-11-07 The little known history of how the Sahara was transformed from a green and fertile land into the largest hot desert in the world The Sahara is the largest hot desert in the world equal in size to China or the United States Yet this arid expanse was once a verdant pleasant land fed by rivers and lakes The Sahara sustained abundant plant and animal life such as Nile perch turtles crocodiles and hippos and attracted prehistoric hunters and herders What transformed this land of lakes into a sea of sands When the Sahara Was Green describes the remarkable history of Earth s greatest desert including why its climate changed the impact this had on human populations and how scientists uncovered the evidence for these extraordinary events From the Sahara s origins as savanna woodland and grassland to its current arid incarnation Martin Williams takes us on a vivid journey through time He describes how the desert s ancient rocks were first fashioned how dinosaurs roamed freely across the land and how it was later covered in tall trees Along the way Williams addresses many questions Why was the Sahara previously much wetter and will it be so again Did humans contribute to its desertification What was the impact of extreme climatic episodes such as prolonged droughts upon the Sahara s geology ecology and inhabitants Williams also shows how plants animals and humans have adapted to the Sahara and what lessons we might learn for living in harmony with the harshest driest conditions in an ever changing global environment A valuable look at how an iconic region has changed over millions of years When the Sahara Was Green reveals the desert s surprising past to reflect on its present as well as its possible future [The Egyptian Coffin](#) Jane Jakeman,2005 Autumn 1830 Lilian Westmorland the spirited young heiress to an estate in England s West Country has only narrowly survived a devastating riding accident Her guardian thinks it best that she travel to Egypt where the warm climate might help her recover But Lord Ambrose Malfine fears that her trip may pose even more danger to his young neighbor the daughter of his late friend After her departure he hears of strange things happening one after another including the death of a little girl Compelled to rescue Lilian from danger Ambrose races to Egypt where among Cairo s labyrinthine streets he uncovers unspeakable evil **Orphans & Outcasts** Kylie Leane,2017-08-20 The tides are changing Zaprex technology is awakening After two sol cycles trapped in a box with a ragtag group of sick and starving children the golden Kattamont Denvy Maz is finally free Now with the help of the Messenger Hunter Titus he is taking his adopted cubs home to the desert land of Uthilla where they ll be safe from the impending eruption of Coltarian But the Twizels yoke remains locked around his neck robbing him of his immortality when he needs it most For Jarvis infected by a Zaprex
