The Kikuyu Live Off The Land:

The Kikuyu Live Off the Land Bruce Clifford Ross-Larson, 1972-01-01 Text and photographs introduce the land history customs and everyday life of the Kikuyu tribe living in the central highlands of Kenya **From Kingston to Kenya** Dudley Thompson, Margaret Cezair-Thompson, Margaret Cezair Thompson, 1993 Born in Panama of Jamaican parents Dudley Thompson won a Rhodes Scholarship to Oxford in the 1950s where he involved himself in the Pan Africanist movement alongside such figures as George Padmore and Kwame Nkrumah Working in Kenya and Tanzania he became a close friend of Jomo Kenyatta and Julius Nyerere and was instrumental in obtaining the release of the former when he was arrested during Kenya's struggle for independence *Mau Mau Crucible of War* Nicholas K. Githuku, 2015-12-09 Mau Mau Crucible of War is a study of the social and cultural history of the mentalit of struggle in Kenya which reached a high water mark during the Mau Mau war of the 1950s but which continues to resonate in Kenya today in the ongoing demand for a decent standard of living and social justice for all This work catalyzes intellectual debate in various disciplines regarding not just the evolution of the Kenyan state but also the state in Africa It not only engages historians of colonial and postcolonial economic and political history but also sociologists anthropologists political scientists and those who study personality and social branches of psychology postcolonialism and postmodernity social movements armed conflict specialists and conflict resolution analysts

People, Place and Property Rights Ulrika Kolben Waaranperä, 2021-10-31 For more than a century property rights to land in Molo in the Kenyan highlands have been subjected to diverse reforms and desires Colonial and independent state administrations have restructured land tenure systems to establish and maintain authority or alleviate landlessness Meanwhile people on the ground have developed their own ideas about property rights place and people Via a detailed political ethnography Ulrika Kolben Waaranper uncovers the heterodox notion of property rights that has emerged as land has been redistributed settlement schemes established electricity lines drawn and electoral violence mobilized The book makes an important contribution to the study of land and politics in Kenya and beyond by drawing attention to how conceptions of property rights are shaped by and constitutive of relations of belonging and authority This relational view challenges the universal definition of property rights undergirding most contemporary land reforms Instead property rights are situated within the political and rendered legible for both definitional and distributional debates In effect land reform is posited as a fundamentally political undertaking

Gender in Nascent Module II Programmes in Kenyan Public Universities Michael Wainaina, 2008-12-31 This study addresses the intersection of issues of gender and the nascent Module II Programmes in public universities in Kenya The term Module II programmes to refer to all the adult continuing lifelong education programmes in public universities in Kenya that are being offered to mature students who are not selected through the Joint Admissions Board JAB The onset of the new millennium has seen an unprecedented growth of these programmes in Kenyan public universities The study's objectives were To identify how men and women participating in Module II

programmes compare in demographic socio economic attitudinal and related factors To determine to what extent Module II programmes are providing an avenue for women and men to change to science oriented career options and to determine to what extent gender equity has been identified as an objective in Module II programmes in Kenyan public universities

Kenyas Past as Prologue Marie-Aude Fouere, Susan Mwangi, 2015-06-16 During the run up to Kenyas 2013 general elections crucial political and civic questions were raised Could past mistakes especially political and ethnic related violence be avoided this time round Would the spectre of the 2007 post electoral violence positively or negatively affect debates and voting How would politicians electoral bodies such as the IEBC the Kenyan civil society and the international community weigh in on the elections More generally would the 2013 elections bear witness to the building up of an electoral culture in Kenya characterized by free and fair elections or would it show that voting is still weakened by political malpractices partisan opinions and emotional reactions Would Kenyas past be inescapable or would it prepare the scene for a new political order *Kenyas Past as Prologue* adopts a multidisciplinary perspective mainly built upon field based ethnography and a selection of case studies to answer these questions Under the leadership of the French Institute for Research in Africa Institut francais de recherche en Afrique IFRA political scientists historians and anthropologists explore various aspects of the electoral process to contribute in depth analyses of the last elections They highlight the structural factors underlying election and voting in Kenya including the political system culture and political transition They also interrogate the short term trends and issues that influence the new political order The book provides insight into specific case studies situations and contexts thus bringing nuances and diversity into focus to better assess Kenyas evolving electoral democracy **Kenya Land**

Commission Evidence Kenya Land Commission, 1933 **Historical Dictionary of Kenya** Robert M. Maxon, Thomas P. Ofcansky, 2014-09-09 Kenya has a long and complex history that began thousands of years ago Indeed some archaeologists contend that the country was the cradle of mankind or at the very least one of the places that was home to the earliest hominids In later centuries Kenya s strategic location astride the Indian Ocean and the East African littoral attracted numerous foreign peoples some of the most significant of which have been the Americans Arabs British Chinese French Germans and Portuguese Additionally Africans from throughout the subcontinent have settled in Kenya to escape conflict or political persecution while others wanted an opportunity to begin a new life As a result of being a gateway to the world the country traditionally has been one of the most important business cultural diplomatic and political centers in Africa Although it has maintained this reputation during the post independence period Kenya like most African countries has been plagued by an increasing array of complex economic political and social problems This third edition of *Historical Dictionary of Kenya* provides a starting point for those interested in any of the phases of Kenya s historical evolution This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access

point for students researchers and anyone wanting to know more about Kenya *Encyclopedia of the Peoples of Africa and the Middle East* Jamie Stokes,2009 *Encyclopedia of the Peoples of Africa and the Middle East* is a two volume A to Z reference to the history and culture of the peoples of Africa and the Middle East Reclaiming Indigenous Knowledge Systems Kendi Borona,2019-01-03 Conservation has over the last couple of decades coalesced around the language of community engagement Models that seemed to prop up conservation areas as those emptied of human presence are cracking under their own weight This book grounds our understanding of people forest relationships through the lens of Indigenous Knowledge Systems IKS in the Nyandarwa Aberdare forest reserve in Kenya home to the Agikuyu people It confronts the history of land dispossession in Kenya demonstrates that land continues to be a central pillar of Agikuyu indigenous environmental thought and cements the role of the forest in sustaining the struggle for independence It also shines a light on seed and food sovereignty as arenas of knowledge mobilization and self determination The book concludes by showing how IKS can contribute to forging sustainable people forest relationships Kenya Charles Hornsby,2013-03-01 Since independence from Great Britain in 1963 Kenya has survived five decades as a functioning nation state holding regular elections its borders and political system intact and avoiding open war with its neighbours and military rule internally It has been a favoured site for Western aid trade investment and tourism and has remained a close security partner for Western governments However Kenya's successive governments have failed to achieve adequate living conditions for most of its citizens violence corruption and tribalism have been ever present and its politics have failed to transcend its history The decisions of the early years of independence and the acts of its leaders in the decades since have changed the country's path in unpredictable ways but key themes of conflicts remain over land money power economic policy national autonomy and the distribution of resources between classes and communities While the country's political institutions have remained stable the nation has changed its population increasing nearly five fold in five decades But the economic and political elite's struggle for state resources and the exploitation of ethnicity for political purposes still threaten the country's existence Today Kenyans are arguing over many of the issues that divided them 50 years ago The new constitution promulgated in 2010 provides an opportunity for national renewal but it must confront a heavy legacy of history This book reveals that history

Encyclopedia of African Peoples The Diagram Group,2013-11-26 Africa is a vast continent home to many millions of people Its history stretches back millennia and encompasses some of the most ancient civilizations in the world Modern Africa boasts a rich cultural heritage the legacy of many diverse influences from all around the world reflecting the central role Africa plays in world history *Encyclopedia of African Peoples* provides extensive information about Africa's cultures history geography economics and politics it provides an invaluable overview of the whole continent region by region ethnic group by ethnic group nation by nation personality by personality Sections include Africa Today The Peoples of Africa Culture and History The Nations of Africa Biographies Past to Present Glossary Index *The Charging Buffalo* Guy

Campbell,1986-11-24 This title gives a complete history of the Kenya Regiment from 1937 1963 **Histories of the Hanged: The Dirty War in Kenya and the End of Empire** David Anderson,2011-02-07 A remarkable account of Britain's last stand in Kenya This is imperial history at its very best John Hope Franklin In a gripping narrative that is all but impossible to put down Joseph C Miller *Histories of the Hanged* exposes the long hidden colonial crimes of the British in Kenya This groundbreaking work tells how the brutal war between the colonial government and the insurrectionist Mau Mau between 1952 and 1960 dominated the final bloody decade of imperialism in East Africa Using extraordinary new evidence David Anderson puts the colonial government on trial with eyewitness testimony from over 800 court cases and previously unseen archives His research exonerates the Kikuyu rebels hardly the terrorists they were thought to be and reveals the British to be brutal aggressors in a dirty war that involved leaders at the highest ranks of the British government This astonishing piece of scholarship portrays a teetering colonial empire in its final phase employing whatever military and propaganda methods it could to preserve an order that could no longer hold *Colonialism* Melvin E. Page,2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism's bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered **Law Reports** ,1912 *Kenya National Assembly Official Record (Hansard)* ,1966-09-27 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya *Ancestral Passions* Virginia Morell,2011-01-11 This biography of the First Family of anthropology reveals how their discoveries collaborations and rivalries contributed to our own knowledge of the origins of humankind In this fascinating and authoritative work acclaimed science writer Virginia Morell brings to vivid life the famous and infamous Leakey family pioneers in the field of paleoanthropology Louis Leakey the patriarch who persisted through initial scientific failures and scandal ridden divorce to achieve spectacular success in digs throughout East Africa Mary his second wife who worked alongside Louis as they made their outstanding discoveries at Olduvai Gorge and elsewhere and Richard their son who ascended to the top of the field in his parents wake only to be threatened with both near fatal illness and fierce professional

rivalry Morell transports us into the world of these compelling personalities demonstrating how a small clan of highly talented and fiercely competitive people came to dominate an entire field of science and to contribute immeasurably to our understanding of the origins of humanity

African Development Dilemma Samuel M. Muriithi, 1997 This book explores development issues in Africa from the human social economic geographical and political perspectives It presents arguments as to why Africa remains less developed compared to other continents and provides recommendations to achieve effective development The author discusses such specific questions as Are Africans capable of developing Africa How has nature contributed to problems in Africa and Did slavery contribute to underdevelopment
