[The History of the Knights Templars, the Temple Church, and the Temple](#) C. G. Addison, 2016-04-12 The extraordinary and romantic institution of the Knights Templars those military friars who so strangely blended the character of the monk with that of the soldier took its origin in the following manner On the miraculous discovery of the Holy sepulchre by the Empress Helena the mother of Constantine about 298 years after the death of Christ and the consequent erection by command of the first christian emperor of the magnificent church of the Resurrection or as it is now called the Church of the Holy Sepulchre over the sacred monument the tide of pilgrimage set in towards Jerusalem and went on increasing in strength as Christianity gradually spread throughout Europe

*The Knights Templars* Charles G. Addison, 2021-01-22 The Knights Templars have become associated with legends concerning secrets and mysteries handed down to the select from ancient times Their financial acumen their military prowess and their work on behalf of Christianity during the Crusades still circulate throughout modern culture They were formed in the early 12th century to protect pilgrims to Jerusalem from the Muslims This large organization of devout Christians during the medieval era served the nations of Europe mightily in the Crusades Unfortunately over time they became too rich and powerful and in the mid 14th century support for the order faded Charles G Addison examines their beginning their end and their legacy This book goes into minute detail describing the immoral scheme of the French King Philip IV and the Pope Clement V to arrest and try for heresy a lot of the Knights Templars like James of Molay the Last Grand Master The latter part of this work discusses the architecture in England of the Temple Church Edition with illustrations and complete footnotes 609 Excerpt The extraordinary and romantic career of the Knights Templars their exploits and their misfortunes render their history a subject of peculiar interest Born during the first fervour of the Crusades they were flattered and aggrandized as long as their great military power and religious fanaticism could be made available for the support of the Eastern church and the retention of the Holy Land but when the crescent had ultimately triumphed

over the cross and the religio military enthusiasm of Christendom had died away they encountered the basest ingratitude in return for the services they had rendered to the christian faith and were plundered persecuted and condemned to a cruel death by those who ought in justice to have been their defenders and supporters The memory of these holy warriors is embalmed in all our recollections of the wars of the cross they were the bulwarks of the Latin kingdom of Jerusalem during the short period of its existence and were the last band of Europe s host that contended for the possession of Palestine

*The History of the Knights Templars, the Temple Church, and the Temple* Charles Greenstreet Addison,1842      **The History of the Knights Templars, the Temple Church, and the Temple** Addison,2014-06-04

Origin of the Templars The pilgrimages to Jerusalem The dangers to which pilgrims were exposed The formation of the brotherhood of the poor fellow soldiers of Jesus Christ to protect them Their location in the Temple A description of the Temple Origin of the name Templars Hugh de Payens chosen Master of the Temple Is sent to Europe by King Baldwin Is introduced to the Pope The assembling of the Council of Troyes The formation of a rule for the government of the Templars      **The History of the Knights Templars, the Temple Church, and the Temple** C. G. Addison,2019-11-19

C G Addison s *The History of the Knights Templars the Temple Church and the Temple* meticulously explores the legendary order of the Knights Templar delving into their origins the socio political landscape of medieval Europe and their enduring legacy Written in a clear and engaging style Addison adeptly weaves historical narratives with scholarly analysis presenting a tapestry of intricate details that illuminate both the mystique and realities of the Templars The book situates itself within a rich literary context drawing from extensive primary sources and contemporaneous accounts thus providing readers with a robust understanding of the Templars significant influence on religious military and economic facets of the time C G Addison an indefatigable researcher and historian with a profound interest in medieval studies undertook this extensive examination propelled by a dedication to illuminate the often misunderstood Templars His previous works reflect a longstanding fascination with chivalric orders and his passion is evident throughout this text as he navigates the complexities of Templar history while emphasizing issues of faith and power Addison s academic background and field experience positioned him uniquely to articulate the nuanced narratives surrounding the Templars This book is highly recommended for historians students of medieval studies and enthusiasts of chivalric lore Addison s work is not merely a recounting of events it serves as a vital resource that invites readers to reflect on the intertwining of myth and history Whether you are seeking to deepen your understanding of the Templars or simply appreciate well researched historical accounts this book provides a compelling journey through time
