The Kumquat Statement

Linda Bridges, John R. Coyne, Jr.

The Kumquat Statement:

The Kumquat Statement John R. Coyne (jr.),1970 *The Kumquat Statement* John R. Coyne,1970 *Strictly Right* Linda Bridges,John R. Coyne, Jr.,2007-04-13 An affectionate portrait of the man who started it all With this graceful homage to Bill Buckley two people who have known the pleasure of his company as friends and colleagues place him where he incontestably belongs at the center of the conservative political movement that moved the center of American politics to the right George F Will Newsweek *Strictly Right* paints an intimate and penetrating portrait of the elegant and multifaceted figure who has helped to add a new dimension to the American political canvas Henry A Kissinger Bill and I and others have been good friends for almost sixty years and I thought I knew of his life as well as anyone but Linda and John have brought the events together in a magnificent story that surpasses all that we have absorbed If you like and admire Bill you must read this If you don t read it anyway it will be good for you Evan G Galbraith former Ambassador to France and Chairman of National Review Linda Bridges and John Coyne evoke the true old times when every morning brought a noble chance and every chance brought out William F Buckley Jr ready to write speak question provoke tease or praise in print in person or on the tube as required All honor to him and to the authors who capture him in these pages Richard Brookhiser author of *What Would the Founders Do Our Questions Their Answers*

Education, 1960-1980 Clark Kerr,1991-01-01 Clark Kerr former President of the University of California and a leader in higher education policymaking offers his views of the turbulent decades when colleges and universities scrambled to provide faculty and facilities for the burgeoning student population only to be faced later with economic depression and subsequent conservatism From his unique vantage point Kerr offers insights into the role of higher education its performance under pressure its changing climate its efforts to serve the multiplicity of demands made upon it and its success or failure in meeting those demands **Berkeley at War : The 1960s** W.J. Rorabaugh Professor of History University of

Washington,1989-05-04 Berkeley California was the bellwether of the political social and cultural upheaval that made the 1960s a unique period of American history a time when the top down methods of a conservative establishment collided head on with the bottom up grass roots ethos of the civil rights movement and an increasingly well educated and individualistic middle class W J Rorabaugh who attended the graduate school of the University of California at Berkeley in the early 1970s presents a lively and informative account of the events that overtook and changed forever what had once been a quiet conservative white suburb The rise of the Free Speech Movement which gave a voice to disfranchised students the growth and increasing militance of a black community struggling to end segregation the emergence of radicalism and the anti war movement the blossoming of hippie culture with its scorn for materialism and enthusiasm for experimentation with

everything from sex and drugs to Eastern philosophies the beginnings of modern day feminism and environmentalism and how all of these coalesced in the explosive conflict over People's Park are traced in a meticulously researched and authoritative narrative At issue was the question of power and the struggle between the establishment and the powerless led to developments that the advocates of a freer society could scarcely have foreseen Ronald Reagan elected governor of California in reaction to the events at Berkeley and Edwin H Meese III who battled against the student movement and People's Park rose to national power in the 1980s without however gaining any popularity in Berkeley where Walter Mondale won 83 percent of the vote in 1984 An invaluable account of its time and place this book anchors the 60s in American history both before and since that colorful decade *Book Review Index*, 1985 Every 3rd issue is a quarterly cumulation

Reaffirming Higher Education Noam Neusner, 2018-04-27 How should universities balance the requirements of teaching with those of scholarship The consensus that scholarship counts first and teaching comes second has lost its hold for in an academic world in which few publish 95 percent of publications come from 5 percent of the professors insisting on the priority of scholarship rings hollow The American college and university today must assess what difference scholarship makes to teaching and what teaching means to scholarship Reaffirming Higher Education asks who teaches what to whom and why The authors maintain that what matters in higher learning is learning while denying that scholarship detracts from teaching Chapter 1 discusses who should teach in a university and touches upon such topics as tenure and teaching Chapter 2 defines what universities should teach and the mutuality of scholarship research and teaching Chapter 3 answers who should go to college and why Chapter 4 assesses the future of higher education in the American university and what is at stake on campus William Scott Green places into perspective the authors observations and ideals about higher education and what it means to make one's major field of study the major into a primary path to a liberal education In this intelligent and insightful volume the authors outline reform and renewal for both the institutional and personal dimensions of higher learning that would encompass the ideal of the academic ethic This book should be read by all those who strive to make universities more humane educators parents and students alike **It's in the Cards** Lloyd Klein, 1999-12-30 This is the first comprehensive account of the development of consumer credit Consumer credit is a vital force driving the development of our economic system Rather than look at consumer credit solely as an economic phenomenon Klein examines the social impact of the consumer credit industry within the framework of economic and cultural change His analysis offers a concise examination of the industry from the perspective of marketing the creating of material and experiential products and the product distribution mechanisms The discussion of changes within the bankruptcy structure accounts for the creation of overzealous consumer spending and the implementation of controls over individual consumer credit This will be of interest to scholars or students concentrating in economic sociology stratification and cultural studies *The Conservative Intellectual Movement in America Since 1945* George H. Nash, 2023-03-28 First published in 1976 George H Nash's celebrated history of

the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the book s thirtieth anniversary includes a new preface and conclusion by the author and will continue to instruct anyone interested in how today s conservative movement was born
