*República Dominicana, la Tierra Que Más Amó Colon* Dominican Republic,1939      **The Land Columbus Loved** John W. White,1945      **The Land Columbus Loved. [On the Dominican Republic. With Illustrations.].** John W. WHITE (Journalist.),1945      The Dominican Republic Dominican Republic,2013-02 At The New York World s Fair 1939 Text In English And Spanish      Seeing the Latin Republics of North America William Alfred Reid,1930      **The Dominican Republic**,1939      **Dominican Republic, a Bulletin of the Dominican Embassy**,1950      Trujillo: The Life and Times of a Caribbean Dictator Robert D. Crassweller,2023-01-28 This is the most satisfactory study of Rafael Trujillo 1891 1961 yet published Mr Crassweller has used printed materials and interviews to reconstruct the life of the Caribbean strongman and his book is not the typical sycophantic panegyric published during Trujillo s rule or a recapitulation of the worst excesses of his dictatorship It is a surprisingly well balanced attempt to understand the man his motives and his regime Trujillo was the product of the United States occupation between 1916 and 1924 Born in humble circumstances in 1891 his career had been inauspicious until he discovered that he might be able to obtain a commission in a new constabulary being formed by the occupation forces within ten years he was in charge of the nation s armed forces and by 1930 he was President From that time until his death he ruled his country with an iron hand and the author lucidly shows how he converted it into his own personal estate through political and economic manipulation A vain man Trujillo used the vanity of others to achieve his goals He thought everyone had his price and all too often he was right Not only would Dominicans debase themselves in order to receive the dictator s largesse but there is evidence as the author shows that United States Congressmen and even the Vatican accepted favours from Trujillo But in his quest for power he made more enemies than friends and the account of his decline is both informative and dramatic International Journal Crassweller has produced a superb volume about the man in Caribbean politics from the early 1930 s until the rise of Fidel Castro This portrait of Dominican politics and the ascendancy of Trujillo is chilling in its implications and far surpasses what the average critic of Trujillo imagined The former dictator is portrayed as a tyrant in the absolute sense operating through a series of clever tactics to intimidate those around him this volume must stand as an achievement The Review of Politics Here we have a small miracle Crassweller has produced the best work on Trujillo the man and the Dominican Republic the country that we have or are likely to get in the years immediately ahead In scope the book is both expansive and intimate paying careful attention to the changing historical circumstances as it concentrates on the personal characteristics and activities The New York Times Book Review This book deserves to be read no comparable picture of the Caribbean saga exists in English a devastating history This biography of Trujillo may be read as a super detective story or as colorful history or as a commentary on our times No one starting the book is likely to put it down and he will be left at the end with a pressing question of how sane clean and healthy forces can

be made to triumph in this area so vital to the safety of the United States The New York Herald Tribune s Book Week This is a remarkable account of a remarkable period in Caribbean history well planned and well written Chicago Tribune Mr Crassweller s account of this power crazy dictator and his times is a monumental job of historical and biographical research and writing Christian Science Monitor This biography of Trujillo is by far the best available In a vivid very readable style it presents a mass of information much of it hardly known most of it of historical interest highly recommended as a lively portrait of a fascinating character Caribbean Studies I suppose everyone has told you what a subtle elegant and penetrating account you have written of Trujillo But let me also add my word This combination of artistry and craftsmanship happens only about once every five years John Kenneth Galbraith *Latin America and the Caribbean* United States. Department of the Army,1969 **A Diplomat's Life** Philippe Guillaume,2020-10-04 Philippe Guillaume brings the reader on a journey across 20th century international relations showing what goes on behind closed doors He combines snippets of humor and personal anecdotes with analyses of governmental decisions and a lively description of the inner workings of our world Following Philippe Guillaume across the globe as he delves into the culture and sensitivities of countries from Jamaica to Iran and Poland to Sub Saharan Africa a new understanding arises from the complexity of decisions the changing influences of strategic geography and the impacts of some individuals on world politics This book describes the role Belgium and its diplomats have in the world It combines a deep comprehension of the Russian empire the country s deteriorating relations with Gaddafi its actions in Middle Eastern trade It reminds the reader that Belgium was a testing ground for the EU and had a central role in the construction of the European Union *Caribbean Literature and the Environment* Elizabeth M. DeLoughrey,Renée K. Gosson,George B. Handley,2005 Examines the literatures of the Caribbean from an ecocritical perspective in all language areas of the region This book explores the ways in which the history of transplantation and settlement has provided unique challenges and opportunities for establishing a sense of place and an environmental ethic in the Caribbean **Congressional Record** United States. Congress,1967 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Latin American Nations Today** Raymond Estep,1964 **Dominican Republic**,1946 **The Post-Columbus Syndrome** F. Viala,2014-10-15 Reflecting on the relationship between memory power and national identity this book examines the complex reactions of the people of the Caribbean to the 500th anniversary of Columbus s discovery of the New World Viala analyzes the ways in which Columbus became a reservoir of metaphors to confront anxieties of the present with myths of the past **Why the Cocks Fight** Michele Wucker,2014-04-08 Like two roosters in a fighting arena Haiti and the Dominican Republic are encircled by barriers of geography and poverty They co

inhabit the Caribbean island of Hispaniola but their histories are as deeply divided as their cultures one French speaking and black one Spanish speaking and mulatto Yet despite their antagonism the two countries share a national symbol in the rooster and a fundamental activity and favorite sport in the cockfight In this book Michele Wucker asks If the symbols that dominate a culture accurately express a nation s character what kind of a country draws so heavily on images of cockfighting and roosters birds bred to be aggressive What does it mean when not one but two countries that are neighbors choose these symbols Why do the cocks fight and why do humans watch and glorify them Wucker studies the cockfight ritual in considerable detail focusing as much on the customs and histories of these two nations as on their contemporary lifestyles and politics Her well cited and comprehensive volume also explores the relations of each nation toward the United States which twice invaded both Haiti in 1915 and 1994 and the Dominican Republic in 1916 and 1965 during the twentieth century Just as the owners of gamecocks contrive battles between their birds as a way of playing out human conflicts Wucker argues Haitian and Dominican leaders often stir up nationalist disputes and exaggerate their cultural and racial differences as a way of deflecting other kinds of turmoil Thus *Why the Cocks Fight* highlights the factors in Caribbean history that still affect Hispaniola today including the often contradictory policies of the U S
