*The Land of Jesus* Greville Stewart Parker Freeman-Grenville,1998      **The Land of Jesus Then and Now** G. S. P. Freeman-Grenville,2014-05-27 The Land of Jesus Then and Now covers in a concise and authoritative way the most important sites of Christianity in the Holy Land G S P Freeman Grenville begins with what Moses saw from Mount Nebo looking at the land and then at its rulers and people in the time of Jesus He then traces the life of Jesus from his birthplace in Bethlehem to his flight into Egypt and return to Nazareth his ministry and the events that followed the Passover the Passion and the Resurrection      **Jesus: Then, Now, Ever** Jack Perkins,2019-07-23 Jesus Then Now Ever This book fails How could it not The author is human the subject beyond human ken Still the challenge compels Tell the tales teller the many tales that still for all can teach Jesus as a child his mother guiding his early inquisitive steps then as a dutiful son miracles reluctantly began Jesus years miles and lives removed hitchhiking rides from farmers visiting querulous college students unclear yet whom to trust commiserating with a mother who wasn't but still believes she is Jesus being challenged and mocked on worldwide TV by Satan himself Satan telling how he trained a deer to fire a rifle that when he came upon the Christian Hunters in the woods one day he knew how to shoot them before they got him Jesus thrown out of a church for not dressing right bringing together a wounded GI and the enemy soldier who had just tried to kill him attending a world changing church conference without recognition working and proselytizing in an American car wash joining rescuers in the throes of great natural disaster near where he had preached and saved souls centuries before Jesus visiting John on the isle of Patmos to discuss the heresies of TV in centuries to be rehabbing an artist who through all his agonies never ceased believing in God noting one sentence that spoken by man or woman is never true teaching us all how not to pray offering a college religion class the right to ask him any one question and he would honestly answer And they did and he did and we learn it all So many lessons to teach and lives to mold The mission of God's Son never seeming to end Certainly not to be captured in a human wrought book      **The Entire Works of John Bunyan ... concepts with simplicity and grace The book moves through various scriptural subjects reflecting a deep reverence for biblical texts while also encouraging thoughtful interpretations applicable to modern life Its contextual roots in both Victorian literature and religious discourse provide a rich background for understanding the interplay of faith and personal storytelling Mary Lady Ross a notable figure in the Victorian era was deeply influenced by the socio religious currents of her time Raised in a devout environment her experiences as a grandmother and her rich appreciation for biblical teachings converged to inspire this profound work Ross s ability to weave personal narrative into her theological reflections highlights her commitment to making scripture relatable and accessible bridging generational gaps through shared wisdom Granny s Chapters is not merely a religious text it is an invitation to reflect on one s own life experiences in light of scripture I wholeheartedly recommend this book to anyone seeking to deepen their spiritual understanding while enjoying an engaging narrative Whether you are a scholar a devout reader or simply a curious soul Ross s work promises to illuminate your journey through faith
