**The Land of Nod** Robert Louis Stevenson, 2017-02-14 Ever wondered about the mysterious place we all visit when we fall asleep Robert Louis Stevenson's classic children's poem about dreamland is given new life in this wonderfully illustrated book Accompanied by Robert Hunter's bold and beautiful illustrations this picture book will bring the beloved Scottish author's work to a whole new generation of young readers **Torah and Commentary** Sol Scharfstein, 2008 **In the Land of**

**Nod** Hazel Ruby, 2021-10-20 THE GIFT OF BEING DIFFERENT From very early on young Hazel Mourtton realised that she saw things very differently to other girls her age Back then she would do everything she could to suppress that difference while striving to be seen as what she thought was normal Being quiet and withdrawn with a reticence to communicate earned her the nickname Nod within her family circle it wouldn't be until many years later after being confronted by and successfully coming through cancer that she would find her true calling Disillusioned with life in the corporate world and unable to reconcile conflicting ethical values Hazel's life is thrown into turmoil by the premature loss of her 30 year old son in tragic circumstances While struggling through the mourning process a series of coincidences would lead to her turning the very thing that made her different into a gift that had always been there waiting in the wings for its chance to shine This is both an inspirational and enlightening story in how listening to your inner voice trusting the inner wisdom it contains and allowing access to the serendipitous nature of synchronicity can take you down a path that may help fulfil your life in ways you never thought possible In The Land of Nod will open your eyes your heart and your mind to the possibilities that exist when you trust enough to take that leap of faith to turn what you have dared to dream into reality **The Land of Nod**
