**Landsman** Peter Melman, 2008-03-28 As fictional characters go few embody such striking contradictions as cardsharp Elias Abrams Jewish by birth he joins the Confederate Army during the Civil War Indeed the question of duality runs deep through this novel not only is Elias a Jew defending the right to oppress a people but after he helps to commit a horrific crime he finds himself unexpectedly overtaken by the power of love Exploring themes of literature redemption atonement and love this novel delivers a startling dose of moral ambiguity keen insights into the human condition and unexpected moments that devastate with their casual simplicity A Question of Quality Louis Filler, 1976 **Yours for Humanity** JoAnn

Pavletich, 2022-12-15 Pauline Elizabeth Hopkins 1859-1930 African American novelist editor journalist playwright historian and public intellectual used fiction to explore and intervene in the social racial and political challenges of her era Her particular form of cultural activism was groundbreaking for its time and continues to influence and inspire authors and scholars today This collection of essays constitutes a new phase in the full historical and literary recovery of her work JoAnn Pavletich argues that considered from the broadest of perspectives Hopkins's life work occupies itself with the critique and creation of epistemologies that control racialized knowledge and experience Whether in representations of a critical contemporary problem such as lynching imperialism or pan African unity or in representations of African American women's voices Hopkins's texts create new knowledge and new frames for understanding it The essays in this collection engage this knowledge articulating nuanced understandings of Hopkins's era and her innovative writing practices opening new doors for the next generation of Hopkins scholarship With contributions from well established Hopkins scholars such as John Gruesser editor of The Unruly Voice and Hanna Wallinger author of Pauline E Hopkins A Literary Biography the collection also includes important new scholars on Hopkins such as Elizabeth Cali Edlie Wong and others **The Reprint Bulletin**, 1978

Abbott,Arthur Dudley Vinton,Gertrude Barrows Bennett,Hugh Benson,Margaret Cavendish,James Fenimore Coope,2023-11-19 The SCIENCE FICTION Ultimate Collection 140 Intergalactic Adventures Dystopian Novels Lost World Classics Post Apocalyptic Stories anthology presents an unparalleled journey through the imagination of some of literature's most visionary minds With a rich diversity of narrative styles this collection spans the gamut from early speculative tales to proto science fiction and full blown intergalactic sagas The anthology encapsulates an array of overarching themes including human resilience in the face of unknown cosmos dystopian societies as a reflection of our own and the timeless quest for knowledge beyond the earthly confines Each story whether it's a lost world classic or a post apocalyptic scenario serves as a standalone masterpiece while contributing to the volume's cohesive exploration of humanity's place in the universe The esteemed roster of authors including pioneers like Jules Verne and H G Wells alongside literary giants such as Edgar Allan Poe and Mary Shelley brings together a multiplicity of backgrounds and perspectives This assembly underscores rich historical and cultural undertones influencing the science fiction genre from Enlightenment era optimism about human

progress to 20th century anxieties about technological advancement and its implications The anthology resonates with major literary movements revealing the evolution of speculative fiction through diverse narrative lenses **SCIENCE FICTION Ultimate Collection** is an essential compendium for readers eager to explore the breadth and depth of the science fiction realm It offers an extraordinary opportunity to engage with the speculative wonders and imaginative worlds crafted by a constellation of authors whose collective vision transcends time and space This anthology not only celebrates the legacy of science fiction as a genre but also serves as an educational tool inviting readers to contemplate the myriad ways in which literature mirrors critiques and shapes our understanding of the future Embarking on this literary odyssey promises a rich dialogue with the past present and potential futures of human civilization [The Virginia Quarterly Review](#) ,1978 **A Guide to Jewish Themes in American Fiction, 1940-1980** Murray Blackman,1981 **The Confidence Game in American Literature** Warwick Wadlington,2015-03-08 Drawing on modern studies of rhetoric and the concept of the Trickster the author examines Herman Melville Mark Twain and Nathanael West as creators of a fictive experience centered in deceptive or problematic transactions of confidence The model of a confidence game suggested by the writers own thematic preoccupations permits an analysis of the social motivations inherent in the fiction The author concentrates on the process by which confidence is established and the ways in which deception leads to regeneration and an altered perception of authority His approach increases our understanding of the interrelation between the writer his reader and the world each envisions Warwick Wadlington examines individual texts as well as the pattern of each writer s total work His book distinctively combines an enlarging archetypal frame with rhetorical analysis of the writer reader imaginative act Treated as different forms of a coherent mode of fictive experience the works of these important authors illuminate each other Professor Wadlington s method results in decisively new readings of each text and contributes to a phenomenology of reading three writers whose works represent crucial moments in the artist audience negotiation of mutual faith Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Columbia Guide to Contemporary African American Fiction** Darryl Dickson-Carr,2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U S dependence on Arab oil characterized an increasingly bleak economic situation As Edward D Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United

States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U S mission was replaced by a more skeptical attitude about government's ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade's major political events and movements including the rise and fall of détente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as All in the Family and Charlie's Angels offered Americans both a reflection of and an escape from the problems gripping the country
