Critical Approaches to Teaching the High School Novel Crag Hill, Victor Malo-Juvera, 2018-10-25 This edited collection will turn a critical spotlight on the set of texts that has constituted the high school canon of literature for decades By employing a set of fresh vibrant critical lenses such as youth studies and disabilities studies that are often unfamiliar to advanced students and scholars of secondary English this book provides divergent approaches to traditional readings and pedagogical practices surrounding these familiar works By introducing and applying these interpretive frames to the field of secondary English education this book demonstrates that there is more to say about these texts ways to productively problematize them and to reconfigure how they may be read and used in the classroom

Manual of Catalan Linguistics Joan A. Argenter, Jens Lüdtke, 2020-04-06 This manual is intended to fill a gap in the area of Romance studies There is no introduction available so far that broadly covers the field of Catalan linguistics neither in Catalan nor in any other language The work deals with the language spoken in Catalonia and Andorra the Balearic Islands the region of Valencia Northern Catalonia and the town of l'Alguer in Sardinia Besides introducing the ideologies of language and nation and the history of Catalan linguistics the manual is divided into separate parts embracing the description grammar lexicon variation

and varieties and the history of the language since the early medieval period to the present day It also covers its current social and political situation in the new local and global contexts The main emphasis is placed on modern Catalan The manual is designed as a companion for students of Catalan while also introducing specialists of other languages into this field in particular scholars of Romance languages **Kindergarten in Georgia** Georgia.
