Anderson, 2025-06-24 There is a universal human need to understand our identity and find belonging and sacred purpose in the most daily moments of our lives When we know our identity as the beloved of God our lives take on practices that are urgently needed in our divisive culture today starting with compassion hospitality and discourse and joining a movement to boldly proclaim Abba's love Sacred purpose involves everything we do on holy ground which is where God walks with us before us and alongside us in time and place As we enter the fray we find ways to live as people of justice grace and conviction seeking the kingdom of God as our priority as we address those issues that are so charged and divisive today race inclusion exclusion individualism and trauma Within the image of an ecosystem we understand that Scripture the living word points us to Jesus the incarnate word who calls us to sacred purpose a living relationship of following Jesus at our own altars in the world for all of our lives Restoring the Story Anne van Gend, 2024-03-29 Are we getting too squeamish about the atonement There is a quiet crisis of confidence in many Western churches Confusion debates and changing sensibilities have thrown doubt on whether one of

our central doctrines can be reliably communicated as good news today This book approaches atonement through story allowing imagination to illuminate the multi faceted meanings in Christ s atoning work and exploring how those rich stories can be good news for the complex issues of our day **Prince Caspian Movie Tie-in Edition (digest)** C. S.

Lewis,2008-04-01 The four Pevensies help Caspian battle Miraz and ascend his rightful throne Narnia the land between the lamp post and the castle of Cair Paravel where animals talk where magical things happen and where the adventure begins Peter Susan Edmund and Lucy are returning to boarding school when they are summoned from the dreary train station by Susan s own magic horn to return to the land of Narnia the land where they had ruled as Kings and Queens and where their help is desperately needed **A Narnian Vision of the Atonement** Charles Taliaferro,2022-08-24 How can we have

redemption or atonement at one ment with God Ancient Christians proposed a ransom theory according to which God pays the ransom for us through heroic self sacrifice so we can be liberated from the power of the demonic sin and death This theory is widely rejected by philosophers and theologians yet C S Lewis boldly portrays atonement in precisely such terms in his seven volume The Chronicles of Narnia In this book philosopher Charles Taliaferro defends the integrity and beauty of redemption in these stories and offers a Narnia inspired Christian theory of atonement He writes for those intrigued by Lewis s imaginary world of Narnia and for those interested in thinking about temptation how wrongdoing may be overcome confession repentance forgiveness and reconciliation restitution death resurrection and personal transformation Taliaferro argues that Lewis s work is no mere entertaining fairytale for children but an important lens through which to view deep themes of redemption and atonement and all the vital stages involved in overcoming evil with the superabundant good of God s loving self sacrifice *Why Lewis?* Jeff Voth,2021-08-13 It has been said that next to the biblical writers the most quoted

person in American pulpits churches and educational institutions hands down is C S Lewis He has become such a part of the speaking and thinking rhythm of those of us in the West that without him well who would we quote Peter Kreeft sums it up quite nicely Lewis is read with enormous affection and loyalty by a wide and diversified audience today In fact more of his books are sold today than those of any other Christian writer in history Kreeft Lewis and the Two Roads to God The Washington Times in The World I February 1987 354 Why Lewis is a primer designed especially to stimulate thinking about Lewis and offer at least seven reasons why he has made such an indelible impact upon so many Quotes references anecdotes and footnotes are provided in easily accessible fashion to assist the budding Lewis scholar into elements of deeper study while at the same time offering the most seasoned aficionado some fresh perspectives as well
